

The BAHIA CORINTHIAN YACHT CLUB Masthead

Issue 3/10 - Volume 106

April 2015

**Commodore
Craig Delaney**
cedelaney1@gmail.com

Elvis Has Left The Building

It is with a heavy heart that I had to hang up my red jumpsuit and cape (and the hair). With the conclusion of Showboat 2015, I unfortunately cannot think of another club event where the jumpsuit would be appropriate commodore attire.

With the arrival of spring, activities at the club are kicking into high gear. In April we have our famous Easter Brunch and Family Bingo Night. Additionally, the start of the 67th Newport to Ensenada (N2E) is April 24. Again this year, we will host a pre-race barbecue April 23 for racing crews **and** BCYC members on the patio. I encourage all of our members to attend – even power boaters like me are welcome. It is an inexpensive and fun evening at the club.

The magician at our monthly Prime Rib Night has been a big hit. Overall attendance is up and the feedback from members on the food and the entertainment has been excellent. I should mention to anyone who has not been, that the name is a bit of a

misnomer. There are many other fantastic options besides prime rib, including fish, chicken and several salads, so do not let an aversion to prime rib keep you from this great monthly feast. Prime Rib Night is normally the first Thursday of the month. As in past years, May's PRN will be on our season Closing Day — Friday, May 8.

The lower level renovation is progressing and should be nearly complete by Opening Day.

The Ship's Store has stocked some new and exciting merchandise. There are all kinds of new items, including beach cover-ups and bling and non-bling fashionable attire.

Renovation Update = CONCRETE.

In closing, I want to thank Treasurer Gary Granbery and our accounting staff of Controller Caitlin Ritchey and Dale Silva for their outstanding efforts during the recent yearend close. Our external auditors presented the 2014 draft financial statements to the Board of Directors. They were approved by the board and your copy will arrive shortly in the mail. Our books and records are in excellent order and our financial situation continues to generate adequate cash flow to support the present and projected future needs of the club.

Welcome NEW Members

Tim and Camille Anderson – Regular Flag

Tim and Camille currently live in San Luis Obispo and come to Newport Beach on a regular basis on business. They are co-owners of a boat with fellow member Arthur Rice and are looking forward to spending time with fellow boating enthusiasts and attending BCYC events. Typically, they stay on their boat when in town.

Michael and Nancy Means – Regular Flag

Michael and Nancy look forward to introducing friends, family and business associates to BCYC. Michael currently works in the sales and marketing department of Angels Baseball. Nancy is a retired U.S. Navy lieutenant commander and currently works as a pediatric nurse practitioner. Eventually, they plan to become boat owners and will enjoy the use of the club Duffy.

Brian and Sandy Stransky – Regular Flag

Brian and Sandy were introduced to the club by Ruth Montgomery-Cicchese. They enjoyed coming for social events so much they decided to join. The Stranskys plan to entertain friends and family at the club and definitely will enjoy the club cruises.

My heartfelt thanks to all of you who gave me gifts and cards full of well wishes. Your generosity and caring words are so very much appreciated. I am a lucky lady. I intend to use my honorary membership and look forward to seeing you all at BCYC in the near future.

Can Work Be Fun?

This month I would like to highlight our Cruise Committee and the wonderful plans they have for the 2015 cruise season. Bill and Kristy Parr have put together a varied and exciting series of cruises that will have something for everyone to enjoy. By the time you read this, the Huntington Harbour Yacht Club cruise will be completed and signups for the April Lido Raft-Up will be underway.

Going to the Cruise Committee meetings is a delight. When this group has so much fun and laughs discussing their plans for the upcoming cruises, you know that they will be great. Planning is ongoing for eight major cruises, with the likely addition of a few pop-up cruises when weather and the urge inspires. Each of the eight scheduled cruises will have a different co-chair working with the Parrs. It is obvious from the enthusiasm of everyone on the committee that this will be a great year for cruising.

Bill and Kristy have done a remarkable job of bringing some of our newer members onto their committee. This certainly adds new life and ideas and provides these folks with a chance to get to better know other members, making them feel that this is truly the club for them. We are very fortunate to have people as dedicated as Bill and Kristy taking such an active role at BCYC.

Mark Gaudio finished in first place in the Senior Sabot Midwinter regatta, Feb. 21, against a field of 14 top racers

Sail Fleet Captain
Paul DeCapua
paul.decapua@cox.net

N2E...

April is the fourth month of the year on the Gregorian calendar, the fifth on the early Julian, and one of four months with a length of 30 days. It's also the month of the Newport to Ensenada Race (N2E). This year marks the 67th anniversary of the race — few competitions can claim such a long and successful run. Are you entered yet? There's still time. Do it!

The month of April is also when the second race of the Lorin Weiss Series takes place. The ever-increasing Harbor 20 Fleet runs through a series of back-to-back windward/leeward races – the top positions on the leaderboard can change dramatically. For a front-row seat, join us on the Race Committee boat as an observer.

Señor Taco wants to remind everyone that our world-famous Taco Tuesdays start May 12. Remember, this is a member party event and it is a race, with great food at an excellent price! If you don't have a boat, you can crew on one. If you are a skipper, add a new crew member. Go to the Racing tab on the BCYC website and register on the Crew List.

If you missed the Coastal Safety At Sea Seminar at the end of February, you can find the slides on the club website under the Racing tab. I've been a boater for over 50 years and learned some good tips, so check out the slides. I plan to make it an annual event on the BCYC calendar.

DID YOU KNOW ? Important Information

Did you know that BCYC leases additional parking spaces directly across the street from the club? These easy-access spots are available weekdays after 6 p.m. and anytime on the weekends.

Did you know that one of the key ingredients for hosting a successful event at the club is to make an appointment with a member of the Food and Beverage team? This will assure that all details for your event will be handled according to your requirements.

**Junior Sailing Director
Cameron MacLaren**

Sabot C1 Success

Spring is underway and boaters are getting more and more active on the water. Our Spring Sailing Program is in full steam with close to 30 participants across all three classes – it’s great to see everyone here on a regular basis again. We’ve had perfect sailing weather so far this season, which is a welcome change from the light-air winter months.

I have some remarkable achievements to mention from our most dedicated BCYC junior sailors. First and foremost, congratulations to Zoe Johansson on her performance at the Sabot Midwinter Regatta, hosted by Newport Harbor Yacht Club, where she raced her way to the top of the C1 fleet of 13 boats. Moderate southerly breeze made for perfect Sabot conditions, providing an ideal platform for Zoe to demonstrate her superior boat

handling and tactical knowledge. As a result of this win, she has advanced to the next level – welcome to Sabot Bs Zoe!

Justin Coburn also found success in the C1 fleet at the SCYA Manning Regatta in Alamitos Bay, also the 2015 Sabot Nationals venue in August. Justin dominated the fleet with a win in every race except one! For his efforts, he not only received a class award, but his name is engraved on the perpetual trophy. Jake Johansson also achieved great results, finishing in the top three in six of nine races. Despite challenging wind conditions and only his 60 or so pounds to work with, Jake stood next to his club teammate on the podium in second place. Great racing by both of you.

BCYC sent one boat to the final regatta in the Shadden Series, held inside the Long Beach breakwater. Skipper Cameron Wood and crew Laurel Foster worked very hard all weekend to keep the boat under control in sustained 15-knot breezes with gusts to 20. Hailing from Newport Beach, we don’t get the opportunity to practice in big wind such as this very

often, but these two did a great job and steadily improved with each race against the best youth sailors in Southern California.

Later in April is busy with high school sailing as the regular season peaks with Pacific Coast Championships. The Gold event will be held in San Francisco, while the Silver fleet will sail in Cabrillo Beach. Those who perform well at Gold PCC have the chance to qualify for Nationals next month in Annapolis, MD. On a club level, we look forward to the Lido Island Yacht Club Spring Dinghy regatta April 18-19. With summer rapidly approaching, I hope to see more of our BCYC team jumping in their boats to get a head start on the Summer Sailing Program.

**Junior Commodore
Connor Chung**
connorchungster@gmail.com

*Prepare for
Bingo Night!*

April is going to be a very big month for BCYC’s Junior Board of Directors. We have several juniors competing in various regattas along the California coast. However, most importantly, the Junior Board will be hosting our annual Bingo Night at BCYC April 10. Please make plans to attend!

This year, all proceeds from Bingo Night will go solely to the Junior Sailing Program at BCYC. In the past, we have raised money for the Leukemia and Lymphoma Society (LLS) and will be hosting events for LLS later in the year, such as the Leukemia Cup. These proceeds will help keep our program strong so that BCYC can serve as a learning environment for future sailors. We are particularly excited about this year’s event. With the largest junior board in club history, our efforts have expanded, so we expect a fantastic evening.

The theme this year is space/science fiction and it will truly be out of this world! Please feel free to dress accordingly, or simply come prepared to enter a galaxy far, far away.

We invite everyone to join us on April 10 for the best Bingo Night ever (at least in this galaxy). Enjoy a very cool event and support the BCYC Junior Sailing Program.

A Note from our Chaplain . . .

“There are three kinds of men. The one who learns by reading. The few who learn by observation. The rest of them have to pee on the electric fence for themselves.”

- Will Rogers

Be Safe And Win!

Now is the time to start reviewing the vessel safety checklist in anticipation of BCYC's Opening Day event May 9 — the annual Boat Maintenance Competition and Inspection. It's easy to do and you will have the satisfaction of a Bristol and safe boat with a trophy or decal to prove it!

The competition is based on the Bristol condition of the boats entered and is conducted by the Balboa Power Squadron. There are two classes for point evaluation. Class 1 involves items required by Coast Guard regulations, while Class 2 items are necessary for the prudent operation of the vessel. Points are awarded based on the following criteria:

- Absent, not functioning or not easily accessible – 0**
- Functioning, but in poor condition – 1**
- Functioning, but in fair condition – 2**
- Functioning, and appears to be new – 3**

The inspectors look for things like personal flotation devices, navigation light operation, displaying the required CF number on your dinghy and overall condition of the vessel. Sound easy? It is!

Available categories are: up to and including 34-feet; 35- through 45-feet; 46-feet and over; and electric boats

There are separate trophies in each of the first three categories for both power and sail boats. Regardless of your boat's size or type, you can be a winner! Please contact me if you have any questions.

If you don't want to compete, plan to sign up for the Coast Guard inspection and earn your boat a safety decal. It is a courtesy inspection and their findings are given only to the skipper of the boat. Visit vesselsafetycheck.org for more details. The website not only has an item-by-item description of the safety check, you can also use Online Vessel Safety Check, an interactive program that lets you determine if your boat would pass a safety check. This same information is available in the front office.

The competition and inspection begin at 9 a.m. on Opening Day. Find the sign-up sheet form by visiting bcyc.org. Bring your boat to BCYC for the competition and Opening Day dock parties. The club office will begin accepting dock reservations April 11 after noon. Good luck!

- Susie Brodrick, Marina Manager -

LIFE LESSONS

I have been a member of BCYC since 2001 and sailing for 12 years. From Starfish to varsity high school sailor, sailing has taught me a number of things that have had a major impact on my life. One is to always respect Mother Nature and her power. Also, sailing has helped me be more patient and disciplined in my everyday life. With the clock ticking away at three minutes to the start of the race, I now patiently wait and manage my time wisely to make sure my boat is prepared to begin the race. Lastly, I have learned that no matter how bad the day is on the water, it still will always beat any other day that I am not sailing.

- Caden Wheeler, BCYC Junior Director -

Las Commodoras
Nancy Bryant
ntdnancy@gmail.com

Spring Has Sprung!

Calling all "Salty Dogs" to join us Saturday, April 18, for our Annual Dog Show. This year, we are supporting the Canine Companions for Independence. This organization breeds Labrador and golden retrievers, and crosses of the two, to become assistance dogs to serve the handicapped — from war veterans to autistic children. Please come out and support this event even if you don't own a dog! It's fun to watch BCYC members and their furry friends.

Bowers Museum "The Mystery of Sanxingdui" was such a wonderful exhibit, a fabulous Las Commodoras destination in February!

Also, pictured here are the Marine wives we hosted in March at our annual fashion show.

Unsung Heroes

So far, it looks like we will have another year as good as, or even better, than last year. Water temperatures are already at 70 degrees mid-channel, and around Catalina they are 71.3 degrees. If I remember correctly, last year they were around 67 degrees at this time. Water temperatures around Ensenada and points south are 72.4 degrees. There are already reports of yellowtail being caught near the local offshore oil rigs.

I heard from a fellow member who sent me an article – I won't use his name, but he is a director, has a large Bertram, and wanted to fish in a tournament in Costa Rica. In the article it stated that the tourney contestants released an average of 50 marlin per day on each boat. That sounds hard to believe.

Since the lower-level renovation has eliminated the fishing board, I will keep a record of the fish being caught by our members. On each fishing trip, I would like you to send me a picture of the biggest fish caught, its weight and species, and whether you were fishing on a power or sail boat – send to kipcyprus@aol.com. To help decide the annual BCYC angler of the year award, you will get one point per pound for your largest catch. Since it is more difficult to work a fish off a sail boat, those fish will be credited with two extra points. If you have any other thoughts on this program, please let me know. Good luck fishing.

Tis' the season – yes I know the Holiday season has long since passed, but you would not notice it by the activities the club has hosted over the last two months. Starting with the New Year's Eve gala, then Super Bowl, followed by the Women's Sailing Convention, Valentine's Day dinner and Commodore's Ball, all just through February. March saw a successful four-day run of Showboat, the Las Commodoras Fashion Show luncheon and, of course, Closing and Opening Days just on the horizon. All the while, the club is in the middle of a major renovation project and yet all this seems to happen seamlessly. BCYC is blessed to have an extremely energized, dedicated and passionate volunteer force of members who unselfishly give of their time to make sure we all enjoy these events and can tell our friends that BCYC is not only the Friendliest Club on the Bay, but the most active as well.

These in-house committees are working diligently to make sure we all have the opportunity to enjoy the events that make us the premier club we are today. If you have not already done so, consider becoming part of the Membership, House or Activities Committees as they are always looking for additional help. I would also like to acknowledge our staff, under the expert leadership of General Manager Scott Jones, who have done such a magnificent job.

To all of you who serve and dedicate your time, thank you so much for all your tireless efforts – you are truly our **Unsung Heroes.**

What a catch!

It looks like Director Abbott Ayloush has caught the first billfish of the year. I am not sure if it counts when you are in Costa Rica. Abbott's catch took place during the second leg of this year's Los Sueños Signature Triple Crown tournament, Feb. 25-28, and beat the total releases from the same leg in 2014 by 629 billfish. Forty teams, comprising 161 anglers, released a total of 1,688 billfish, including 21 marlin and 1,667 sailfish, in just three days of fishing. Congratulations Abbott!
