The Lifeblood of BCYC

We are now in the midst of one of the wonderful summer events that illustrates what volunteerism at BCYC can accomplish. A few years ago Rhonda Tolar came up with the idea to create a summer race series on Tuesday evenings around the Taco Tuesday theme. If you have any doubts of its success, drop by on Tuesday evening and see for yourself. There are usually 12 to 15 larger sailboats racing in the PHRF fleet and 25 to 30 Harbor 20s.

If you think that Taco Tuesday is just another sailboat race, you are missing a great time, a wonderful Mexican-style buffet, and a relaxed informal evening with your fellow members.

Every Tuesday we have at least eight members out with Paul DeCapua and Bill McNamara on Race Committee and several more, including Rhonda and her daughter, Natalie, organizing the raffle prizes and decorations. It is truly a joyous event that makes us glad to be members of BCYC.

I also want to acknowledge another major task that was completed recently by two of our hard working volunteers, Kari Konapelsky and Staff Commodore Karen Winnett. They spent almost 12 full days cleaning and organizing the Lowry Room. This room is where all of our items used to decorate for parties and other events are stored. Over many years, it had become overcrowded and totally disorganized. Kari and Karen changed all that and the Lowry Room is now beautifully organized, the items are labeled and readily available for our next gala event. Thank you Kari and Karen.

This type of volunteerism is certainly the lifeblood of BCYC. Let all of our volunteers know how much we appreciate their time and effort. Without them, we would be a much different club.

Artist Showcase: Art, Cars, Italian, Pizza

Showcasing the talents of the many BCYC artists, the eighth annual Member Art Show, held this year on Father's Day, in conjunction with the awesome brunch and Car Show, was a smashing success. Everyone had the chance to meet some of the artists and admire the paintings, sculptures, photography, jewelry, and other beautiful media. The Car Show, organized by Mark Arizmendi and Cleve Sproule,

allowed us to see some stylish rides, classic cars and works in progress. These shows are a cherished tradition at BCYC, allowing our membership to shine. Many thanks to all who helped put on these events.

Tuscany On the Terrace, Aug. 27, outside near the compass rose, returns to the club. Hot Club de Bop will again entertain us and Chef Georges Rapicault and the culinary team will showcase classic Italian food. It will be a beautiful evening under twinkling globe lights, an event not to be missed.

In between these events we have two more Patio Movie Nights, July 22 following the Burger Bash, and Aug. 19. Both will again feature made-to-order pizzas baked while you wait, on the lower patio. We welcome everyone to attend.

Communication – Many Platforms

BCYC utilizes several platforms to communicate to the membership with details about upcoming events, cruises and other valuable information. These include:

- The Masthead, the BCYC magazine that is published 10 times per year, filled with informative articles and cool pictures
- Weekly eblasts that contain detailed information about events and cruises, as well as a club calendar, the weekly dining specials and the sandwich of the month – scroll through all the pages so you don't miss anything
- Special eblasts that contain information about a particular event, or an upcoming cruise sign up, or an update about a change in dining availability
- The website Events At A Glance section that provides event details, the ability to utilize social media to make another member or possible future member aware of the event, and where applicable, click through to make a reservation
- Event notification via Clubster (through email or text), again providing the opportunity to easily communicate via social media, make a reservation and put together groups of other members who have joined Clubster – contact Amber Vogel (amberv@bcyc.org) in the club office if you need the link to join Clubster

- An electronic board located near the entry to the Columbia Room where these event promotional fliers scroll continually
- Tabletop tents, usually in the Columbia Room
- Word-of-mouth, an interesting old-school communication technique where members stay in touch via phone call, or text
- A printed flier that contains event or cruise details that you can pick up at the club office

Don't miss out on any of the great stuff happening at BCYC. Your participation just makes the event and the cruise better!

Fourth of July at the club will see the Columbia Room open from 10 a.m.-5 p.m. with a burn-your-own barbecue and pot luck event starting at 5 p.m. – bar service will be available on the lower level patio for this event, and there will be live music provided by Steve Woods (brother of Staff Commodore Rod Woods). Patio Pizza Movie Night, to be held July 22 on the poolside patio, will be great fun. The patio bar opens at 6 p.m., made-to-order pizzas on really cool, quick-cooking, pizza ovens begins at 6:30 p.m. and the movie starts at 8 p.m. Burger Bash Fridays, throughout July and starting at 5 p.m., will feature hamburgers, brats, hot dogs, chicken, salads and more. August will bring another Movie Night (Aug. 19) and Tuscany On the Terrace Aug. 27.

Finally, Taco Tuesday continues every Tuesday through the end of August, with the club open at 4 p.m. One member says this is the best kept secret at BCYC and it only took her three years to figure it out! Don't wait three years – come enjoy the buffet and a beverage of your choice and stay for the racing awards!

DID YOU KNOW ? Important Stuff

Did you know that Burger Bash will be held all five Fridays in July this year? We look forward to seeing you on the lower level patio.

Did you know that Camp Corinthian started June 27 and ends Aug. 5? Please be aware of the many youngsters who will be around the club and in the parking lot.

Sailing

Sailing has impacted my life in numerous ways over the past few years. I have met many different people from all over that I would not have met otherwise. Some of them are sailors who have become great friends. Others are complete strangers who have shown me how tightly knit the boating community can be in times of need. Last year when a lightning storm struck during a regatta, a kind lady, Mary Longpre-BYC member, took us into her house and sheltered us from the storm. Sailing has made me learn to make decisions more quickly and to always have a contingency plan if things do not go as planned. The sailing skills I have learned are valuable life lessons.

It's All Good

It is summertime and our club is in full swing on land and sea, and "it's all good."

Camp Corinthian, under the guidance of Junior Sailing Director Cameron MacClaren, has begun with a record number of participants and, as I said in my June Masthead article, these campers are the future of our club, including, perhaps, a future commodore – let's all continue our support and encouragement.

Taco Tuesdays are continuing to host large crowds both on the water and in the clubhouse. Make plans to be at the club on Tuesdays through August and participate, whether racing or enjoying the fantastic Mexican buffet. This event alone has proven to show that we are truly the Friendliest Club on the Bay, as we entertain an ever-increasing number of members and guests.

This month our Junior Staff Commodore's Cruise sets off for San Diego under the able command of Junior Staff Commodore Craig Delaney, and Joan. They have a great itinerary planned with many fun events scheduled along the way. This is an excellent opportunity to visit other yacht clubs and enjoy their hospitality.

Our cruises, under the leadership of Secretary Steve and Lauri Moffett, continue with each seemingly topping the last one. We had over 16 Boats at our Memorial Day Cruise to Long Beach Yacht Club. Many thanks to Stuart and Teri Leigh for their efforts in hosting this cruise. The Isthmus Cruise, hosted by Director Bill and Kristy Parr, saw even more boats on this adventure – we all enjoyed participating in the Olympic games that were an important part of this cruise.

August 11-14 will find us on our annual Clambake cruise, once again returning to the Del Rey Yacht Club facility in Cat Harbor. This year, the theme will be "Under the Sea." This event is a long-time tradition at BCYC, one of the most anticipated cruises of the year. I have always made it a plan to participate in Clambake with my family. My children, who are now in their 40s, grew up at this event and now I am looking forward to my grandchildren doing the same. As we continue this pace of great cruises, I hope we will again have a record turnout as Clambake is truly designed for the whole family. Please plan to join us as we explore everything from Jules Verne to Finding Nemo along with great food prepared by Chef Georges Rapicault and his staff.

Hope to see you all on the water as we have many choices at BCYC. Special thanks to all our member volunteers and staff for your tireless efforts in making things happen at the club.

*Big Mac...

More than 300 boats have registered for the 108th Chicago Yacht Club Race to Mackinac, one of the world's longest-running freshwater distance races. The 333-mile sprint from Chicago to Mackinac Island, MI kicks off Saturday, July 23.

On that very same day, we will run the second race of the Angelman Series. The distance is much shorter and the boats only get to spend one afternoon at sea. Nevertheless, the series is a local favorite because it tests skills and crew cooperation with its windward-leeward courses. Three times the "twice-around" course daily provides plenty of photo ops.

Although it's still a few months before we run the Club Championship Regatta, I want to make sure everyone has blocked Sept. 17-18 on their calendar. On the 17th, families (crew can include the family pet!) will compete for the Family Championship trophy. On the 18th, championship teams (skipper and crew must be BCYC members) will compete for the Championship trophy. No need for you to have a boat as the club provides Harbor 20s.

In case you want to practice for the race, you can get qualified on, and take out, the club's Harbor 20. What better way to ensure victory than to practice! Ask Susie Brodrick in the club office for details on use of the Harbor 20.

The Fall Finale Race, scheduled for Nov. 12, will have racing venues for PHRF and Harbor 20s. PHRF will race outside the harbor and Harbor 20s will race inside. Regardless of the boat you sail, the post-race party at BCYC will be HUUUGE – be sure to sign up!

Coming Up - Dana Point, Clambake, Cambria

The Isthmus Cruise to Isthmus Yacht Club and BCYC's Summer Games were such a big hit! Director Bill and Kristy Parr, our cruise captains, were outstanding in organizing this great event. Thank you so much for all your hard work. Another big thank you goes to Michael Bryant and Tim Whelan for entertaining us, as well as Commodore Sandy Mills for securing IYC for Friday's cocktail party, AND all our helpers.

NEW Dana Point Raft-up Cruise, July 29-31
Sign-ups began June 22 for this cruise. Friday, July 29, we will raft up in the west anchorage (near the Marine Institute). Saturday night our cruisers are invited to a "Tab Hunter Beach Party" at Paul and Kari Konapelsky's home! A shuttle

van will be provided for the cruisers who are rafted up. This party is **also** open to members who want to drive down. Details will be sent out to everyone (boating or driving) who signs up by mid-July.

Clambake - Aug. 11-14 in Cat Harbor
Sign-up begins July 9 for this cruise. We are back at the Del Rey Yacht Club facility in Cat Harbor! Watch for more details coming soon.

Cambria Wine Tasting Cruise - Sept. 30-Oct. 2
Sign-up begins July 9 for this cruise. Please sign up early so we can plan for hotel rooms on Moonstone Beach and winery tours. This cruise is expected to be a sell-out, so don't be left out! More details will follow, but this is a "land" cruise so you will drive up on your own. NO boat is needed and we encourage all our new members to consider joining us.

Cruises are a great way to get to know other members and make more new friends. Our monthly meetings are held the second Thursday of each month at 7 p.m. Please join our fun group and help us plan the upcoming cruises. We look forward to seeing you all there!

*Camp Corinthian
in Full Swing*

Happy Independence Day! With the first week under our belt, Camp Corinthian 2016 is off to a great start. With class sizes slightly larger than last year, and lots of new Starfish sailors, the future of the BCYC Junior Sailing Program has never been brighter!

The CFJ class, led by Head Coach Matt Peter, is even larger than last year with over 20 sailors enrolled, ranging from kids brand new to the boat, fresh out of Sabots, to varsity high school sailing veterans. Our Junior Mariners class is also thriving in its second year, with more than 10 sailors enthusiastically learning what it takes to be a skilled waterman. The Sabot Novice class sailors are getting to learn each part of the Sabot and beginning to understand how to read the wind. These racers include a large C3 beginner class eager to move up the ranks. Meanwhile, our top Sabot sailors hone their skills under the coaching leadership of two former Junior Sabot National Champions, Derek Pickell and Mark Gaudio. Finally, our introductory level Starfish class, for 5-7 year olds, has more than doubled in size under the direction of coach Emmy Yoshimura. In her second year leading the group, her warm, positive and fun teaching style has the Starfish learning quickly.

The Balboa Bay Fleet series is set to begin this month, and our first major regattas of the summer are just around the corner including: Summer Gold Cup for Sabots, July 9-10; Junior Olympic Festival for CFJs, 420s and Lasers, July 15-17. Burger Bashes are also heating up beginning July 1, continuing every Friday in July. If you arrive at the club around 5 p.m. on those Fridays, you can hop in a Sabot or CFJ for a fun evening race in front of the club where adults can take on the kids and the kids can wait on their coaches!

*Bingo and
Burgers*

The Junior Board of Directors held its sixth annual Bingo Night June 3. It was a fantastique French-themed soiree attended by almost 100 competitive junior and senior bingo players. We played six exciting games and 20 fantastic prizes were won by many different families. Everyone had a great time, all in the spirit of fundraising for our Junior Program. I would like to thank all of the Junior board members who attended, worked, and donated our wonderful prize baskets and candy. I'm very proud of the work we are doing, and am looking forward to a great summer. I would also personally like to thank all of the guests who came out to support us. Please help us spread the word what a fun evening this is. Consider bringing an extra friend or two to the 2017 edition of Le BCYC Bingo!

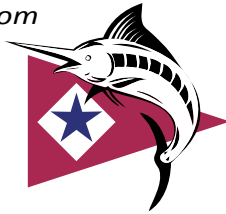

Make plans to attend at least one Burger Bash, happening every Friday night in July! There will be burgers, brats, chicken, salads, prizes, sailboat races and lots more. It's the perfect time to meet new people and enjoy everything that is terrific at BCYC. Stop by and join us – we would love to see you there – let's spend some carefree summer Friday nights at the club.

*Fishing
 Fever*

BCYC had a team entered in the 2016 Lily Call Bay Tournament, held May 21-22. Our team included Russell and Adrian Grant, Scott, Matt, and Madilyn McKinley, and me. We set out to compete in this challenge in Newport Harbor. Based on a recommendation by the Balboa Angling Club, we went to Ketcham Tackle in Costa Mesa. They spent an hour getting our team's gear together, including hooks, keepers, 4-pound test line, and blood worms for bait! I highly recommend going there for fishing gear – the Ketcham group was friendly and helpful, and got us ready for the challenge.

We trolled and fished for two days and caught many kelp bass using the blood worms. Unfortunately, they were not legal size, so they couldn't be included in the tournament. However, we did find that fishing near the bait barge was where we caught most of our fish. For the tournament, however, the only fish allowed to be caught were croaker, corbina, halibut and bass. While the team did not trophy, we gave it a great try and had a fantastic time!

We had two kids on our boat who took part in the challenge: Adrian Grant, Russell's son, and Madilyn (Madi) McKinley, Scott's granddaughter. At first Madi, three years old, was not sure about the fishing, or touching the fish. After about an hour or so, she found the live anchovies in the bait tank very interesting. She realized that, with a fishing net, she could go fishing in our bait tank. She soon became comfortable and was picking up the anchovies with her hands. By the end of the day, she was willing to "kiss her catch."

Reminder – the Balboa Angling Club Junior Fishing Tournament started June 18 and runs through Sept. 11. We are looking for BCYC kids interested in entering this challenge on a BCYC team, as well as adults to help. If interested, please contact me at rhtolar@gmail.com. Send your "kiss your catch" pictures so we can proudly feature them in the October issue of *The Masthead*.
