## *Our Busy Community*

My article in the April issue of *The Masthead* reported on an incredible five-week period that included the spectacular Commodore's Ball, Women's Sailing Convention, Lounge Night and several other events. I felt that it would be impossible to have another period of time with so many great things available. Don't our volunteers and BCYC staff ever get tired?

Well, here we are again with so many very special and high-level events coming in rapid succession. We had a spectacular and memorable land cruise to Indian Wells that was attended by 75 happy members. Lauri and Secretary Steve Moffett and their Cruise Committee did a terrific job of arranging this cruise to be fun and effortless for those who attended. It certainly wasn't effortless for the committee.

Right on the heels of this cruise was Showboat. As commodore, I had the

privilege of being part of the cast, even though I have no talent for singing or dancing. I always knew that Showboat took a lot of work, but I had no idea how much – I greatly underestimated the level of commitment from so many members to make this dinner theater production such a success. People start working on the concept for next year's show as the current show is being performed. Rehearsals begin in January, on Monday and Tuesday evenings, not counting the hours of practice at home or tap class. The week of the show, there are dress rehearsals for three straight nights, and the show runs over the next four nights. That is seven nights of hard work, but also

a lot of fun. Those seven nights also require the presence of the people running the sound system, the lighting, and handling the back stage work. Even before the rehearsals there are several days of setting up the stage, lighting, sound system, table decor and so much more. Of course, then there is at least a day of take down. My guesstimate, counting all the people who volunteered their time, easily approaches 80 dedicated folks!

I would also like to acknowledge the hard work of our staff through all of this activity. They are always there to help us in every possible way. After their efforts during Showboat, our staff took great care of us for Easter Sunday. Thanks to you all and special thanks to the Easter Bunny, aka Jeanie Lowry.

*BCYC Is the Place To ...*

**B**, it's fun to  
**C** and be seen  
**Y** don't you bring a friend to enjoy the activities going on in the harbor and at  
**C!**

At BCYC, the Membership and Activities Committees are always coming up with creative ways to celebrate at our fantastic location and on the water. We look forward to adding your friends, family members and business associates to our growing membership. We challenge you to bring someone new to the club in May and June! There are fun ways to be involved.

All you need to do is simply say, "Would you like to join me/us at BCYC for the . . ." and then choose from any of the following upcoming activities: Angler Challenge, Leukemia Cup Electric Boat Poker Run (May 6), Prime Rib Night (May 6), Closing Day, Opening Day (May 7), Mother's Day Brunch (May 8), Isthmus Cruise, etc.!

Plus, we have the best summer sailing program around! Do you have or know a child or grandchild who would like to learn about the wonderful world of sailing? Camp Corinthian is the most fun a kid could have all summer. BCYC – the place to be on land or at sea – we hope to see you.

Rocking  
the Club

Aged to Perfection, our very own "house" band, rocked the club again April 16. This time, the playlist was "on demand." Members had previously been presented with a list of 100 great rock and roll songs from the 60s and 70s, and had a chance to vote on what they most wanted to hear. The guys sang, played and kept the dance floor hopping with hits from Santana, Led Zeppelin, The Doors and, of course, the Beatles. The top 10 were kept a mystery until they were played. A fabulous raffle basket went to the member who could guess the most songs in that list. The room decorations and centerpieces were the work of Nancy Bryant and Mary Kaye Whelan, and Chef Georges Rapicault and the culinary team created a delicious tapas menu – everything was delicious. Huge thanks to Michael and Nancy Bryant and Tim and Mary Kaye Whelan for putting on such a great event.

Along with the many members and friends in the house were two special groups of people. Tables were set aside for our new members and our JFlag members. Club events are a great way to meet and get to know members. Teri Leigh and the Membership Committee, along with Ramsey Johansson, are doing a great job to make sure our new members and JFlag members have every opportunity to get involved in all of the events at the club.

We would love to have you come join us in planning and putting on events like this. Activities Committee meets the second Wednesday of each month at 7:30 p.m. Please contact us if you have any questions.

## Mayhugh

Andrew Mayhugh flies the BCYC burgee as a Junior Flag member. He grew up as a Junior member of the club and raced on the Newport Harbor High School Team. With a passion for racing and teaching sailing, he is pursuing a career in the industry by managing sailing and boating education at Newport Sea Base. When racing, he does so representing our club, on boats ranging from a 21-foot Viper (stored at the club) to the 60-foot racer cruiser he co-skippers offshore.

Most recently, Andrew, his longtime girlfriend, Vanya, and I raced another boat in the family fleet, *Lively*, in the America's Schooner Cup — part of an annual benefit event for the Navy-Marine Corps Relief Society — hosted by Silver Gate Yacht Club. She is a 36-foot schooner, green-hulled with classic red sails. We raced in perfect and windy conditions with majestic boats like *Californian*, *The Rose of Sharon* and *America*. At the awards banquet, we were shocked to find we had finished first in class **and** won the Schooner Cup, with a corrected time 59 seconds better than the second place boat. These were spectacular results, particularly given there was only a crew of three rather than the correct complement of five, and this was the first time we had raced this boat. Now for the magical part of the story: Andrew had only three of the four sails needed to race her competitively. The fourth, a fisherman, was loaned to him by the owner of *Maid of Kent*, skippered by a sailmaker. She was second overall, losing to the boat using a borrowed sail! Andrew is already planning his defense of the Schooner Cup in 2017. The recently completed Newport to Ensenada race was the next race for *Lively*, proudly flying the BCYC burgee. He is proud of his heritage and enjoys being a young ambassador for the club.

## *Cruising, Racing, Celebrating*

How quickly time flies – here we are jumping into a myriad of activities and it seems like the year just started. Our Cruise Committee, led by Lauri and Director Steve Moffett, had a minor setback this April when El Nino raised its head, forcing the cancellation of the Avalon Cruise. But looking at the busy cruise calendar, I am sure we will not be disappointed with the Memorial Day cruise to Long Beach Yacht Club, our next cruising destination. A fantastic turnout is expected for this highly anticipated cruise.

The 69th annual Newport to Ensenada race (N2E) saw six BCYC boats entered. Having done the race for almost 40 years, I always go through the mindset where I ask, “why I am doing this to myself?” This usually happens when we are sitting motionless in sight of the finish line and hoping the tide will direct us to the finish. All the while we are being tortured by the smells of food wafting from shore. Yet, year after year, there I am, hoping that this will be the year that doesn't happen. What do they say about insanity – that it is doing the same thing over and over again, but expecting a different result? I guess I am crazy, but racing in this iconic event is something I plan for every year, and hope we can get more members and their boats racing as well.

With our Opening Day celebration, May 7, in advance, I would like to thank all our members who took the time to bring their boats to the club. In addition, thanks to all the marina tenants who decorated their yachts and the docks, and provided such great hospitality which has made BCYC the envy of the Opening Day circuit.

Finally, we begin our Taco Tuesday races May 10, and if the past is any indicator, we expect a tremendous turnout of racers, members and visitors every Tuesday through the end of August. This started out as an idea to encourage our members to go out and sail, and now it is a Newport tradition. To all our staff and volunteers: thank you. This is a great way to showcase BCYC and our membership.

*Taco Tuesdays  
Are Back!*

It's time for Señor Taco to awaken from his siesta and sound the starting horn for the 7th annual Taco Tuesday Racing Series and party extraordinaire!

What started as a five-boat replacement for the Finally Friday series (do you remember that far back?), has morphed into a 60-boat evening series with the best post-race party in the harbor, bar none. "Come for the race and stay for the party" has become the rallying cry across the PHRF and Harbor 20 fleets in Newport Beach.

Members with sailboats – show your club spirit and come out for the race. The more BCYC boats we have, the greater the bragging rights we get. Members without sailboats – don't feel left out. Offer to help as crew. I know sailing members appreciate having other members aboard. Join us on *Emmi* for a front row seat (bring cookies). Come for the buffet and stay for the raffle.

The Taco Tuesday buffet is over-the-top. It's more than I can handle and that's saying something. There is no better deal in Newport Beach.

We will be winding up the Lorin Weiss Series in May. Over 30 Harbor 20s have been competing for the last three months for the coveted Lorin Weiss Perpetual Trophy. Who will win? It's still too close to call.

Finally, let's look ahead to June 4-5 and the 2016 Leukemia Cup Regatta. It's all about raising funds for cancer cures. Sign up to race or just write a huge check...or do both.

*Upgrades and  
Maintenance*

The emphasis of the House Committee this year is upgrades and maintenance. The club gets a lot of use by members and outside groups, and our need for maintenance is always present. We continue to look at options to upgrade the interior lighting systems for more flexibility. The music and sound system is in need of some refinement, so we can separate different areas, such as the Columbia Room patio from the lower level pool patio. Also part of this update will be improving microphone range on the main floor when the entire dining room/lounge/banquet room area is being used for a single event. In addition, fans have been installed to provide air circulation in the lower level pool patio.

All movable wall partitions in the dining room areas will receive an extensive mechanical overhaul (already begun), wood refinishing and new, updated vinyl coverings. The Lounge, and dining and banquet room areas will receive paint, carpeting and wood refinishing. The Columbia Room, remodeled nearly 10 years ago, will also receive a comprehensive update to include wood surface refinishing, carpet, paint and some necessary back bar equipment. While some of this work can be done on days the club is closed, some of the other items will be handled when the club is closed during the Christmas break. To accomplish all of this refurbishment could take as long as 18-24 months based on the level of activity at the club. This is all part of the ongoing process of having a top-quality facility for the enjoyment of our members and their guests.

*LBYC for  
Memorial Weekend*

The April cruise to Avalon was cancelled due to the prediction (and actual occurrence) of rain for each day of the cruise. The good news is that there is another Avalon Cruise planned for late October.

Our next cruise, May 27-30, is the exchange cruise over Memorial Day weekend to Long Beach Yacht Club. Sign-ups

began April 30 – get on the list early, as there is a limit to the number of boats that can use the marina. Because it is only a 30-minute drive to LBYC, you don't need a boat or a dinghy to be part of this wonderful event – we would love to see new faces join us! Our weekend activities include: welcome cocktail party, continental breakfast each morning, dinghy cruise, barbecue one evening near the swimming pool, and games involving cards and dice. Wear your red, white and blue attire and fly your flags in honor of Memorial Day. Full itineraries will be sent out to everyone who signs up mid-May. Teri Leigh will be our cruise captain for this event.

We hold our monthly meetings the second Thursday of each month at 7 p.m. Please join our fun group and help us plan the upcoming cruises. We look forward to seeing you all there!

*Doggone Fun...  
 Doggy Games*

Our annual dog show, hosted by Nancy Bryant, was a lot of fun! More than a dozen dogs and their parents joined in on the competition. Dogs and their humans went through an agility course, an obedience test and tricks. Whether it was only the hounds doing the tricks is up for discussion! The question remains: do dogs and their owners look alike? Congratulations to the winners (shown below).

Make plans to participate in the Las Commodoras Progressive luncheon, the always very popular event, May 19. We will visit the homes of three members, enjoying a different course at each stop. Reservations are required!

*Le BCYC Bingo,  
 Opening Day,  
 Generation Gap Challenge*

In May, junior members are focused on their studies as we prepare for AP and final exams. We look forward to attending Opening Day, May 7, where I have the opportunity to address member and guests, and congratulate all of our junior sailors on a job well done this past year. I will also challenge the Senior Board of Directors to our annual Generation Gap Harbor 20 Challenge. This cutthroat competition is a sailboat race like no other – the last three years, the Juniors have stolen the show, winning this challenge with great skill. I know we will prevail again, but I also know the seniors will not go down without a fight. It is going to be a lot of fun, and bragging rights are on the line!

I hope you will join us on June 3, at 6 p.m. for Le BCYC Bingo, sponsored by the BCYC Junior Board of Directors. This is an annual fundraising event to benefit the BCYC Junior Program. We invite **all** members, families and friends to attend this very entertaining event. Join us for a buffet dinner featuring le hamburgers, le frites, le salads, le chicken, le FUN and le bingo. You will have the chance to walk away with an awesome prize – c'est magnifique!

*Parking Lot Sale -  
 Benefit BCYC Juniors*

Coming up early next month on Sunday, June 5, is Minney's Parking Lot Sale. From daybreak until noon, this event is the largest of its kind on the West Coast and is very well attended. BCYC will have a table set up with items priced to sell, so if you have any boating-related items of value that you are looking to part with, we'll find them a new home. Information as to when to bring items to the club prior to this event will be provided in the near future. We will also come to you to pick up larger items if you are unable to transport them to the club. All proceeds will benefit the BCYC Junior Program – send me an email (cameronm@bcyc.org) immediately if you have any items to donate!

Summer is rapidly approaching and program classes are filling up, but it's not too late to get your sailor into Camp Corinthian Summer Sailing Program! Course offerings include: introductory Starfish class for five- to seven-year-olds; Sabot novice class for first-time sailors, age eight and up; Sabot C3-A racing classes; Junior Mariners class, which teaches the skills of a waterman beyond racing; and CFJ racing class sailed in double-handed boats for junior high and high school sailors. Please contact Sailing Director, Cameron MacLaren, with any questions regarding this top-caliber program.

**Sailors and Coaches  
 Amazing**

BCYC is way beyond competitive sailing to me. It's a place where people connect and learn as a community. Sometimes even the competition in sailing isn't enough to get me out on the water. The truth is that I love BCYC because of the people. I have met a multitude of amazing people here, sailors and coaches – they are the reason I look forward to sailing.

I met one of my best friends, Riley Foster, in the Starfish program when I was six years old. With several other close friends, they encourage me to keep sailing.

Over eight years of sailing at BCYC, I've also encountered many awesome coaches who work relentlessly to support every sailor. They inspire me to become the best person and competitor that I can be.

I am so grateful for all the time I've spent at BCYC. I would not trade away my memories and the things I have learned, and look forward to future achievements.

*Bunch of  
 Good Stuff*

BCYC celebrates our 58th Opening Day on May 7. This is a day filled with pageantry, boats in the marina colorfully decorated, and many guests. With the ceremony beginning at 2 p.m., plan to arrive early!

The May Prime Rib Night, Closing Night and Leukemia Cup Electric Boat Poker Run all happen May 6, with the Poker Run starting the festivities at 4:30 p.m. Mother's Day brunch, May 8, concludes a very busy weekend at the club. But wait, there's more – with Taco Tuesday kicking off May 17, the Las Commodoras Progressive Luncheon May 19, a Wine Dinner May 21, and the cruise to Long Beach Yacht Club closing out the busy month of May.

So that June doesn't feel left out, Le BCYC Bingo will take place June 3, followed by the Leukemia & Lymphoma Society golf tournament and auction/dinner June 10 and 11. Movie Night (June 17), to be held on the lower level pool patio, will feature freshly prepared pizza – be there to enjoy this newly renovated area with a slice of pizza and a cold beer. Of course, fathers can't be left out and the Father's Day brunch at BCYC is very cool as the annual Art Show **and** Car Show take place on that special day as well.

What great events to wrap up the first six months of the year! Keep in mind, from *Mary Poppins* (P.L. Travers): "In every job that must be done, there is an element of fun. You find the fun, and snap! The job's a game." BCYC = fun.

**DID YOU KNOW ? Important Stuff**

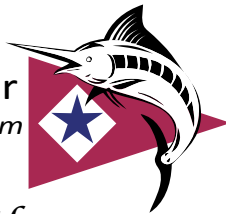

**Did you know** that even though Fourth of July falls on a Monday this year, our Columbia Room will be open from 10 a.m.-5 p.m.?

**Did you know** that there will be a FULL bar on the lower-level pool patio starting at 5 p.m. on July 4? Of course, our pool will also be open.

**Did you know** that Taco Tuesday starts May 17 and the Columbia Room opens at 4 p.m., with our famous "Monster Mexican Buffet" starting at 5 p.m. – open to **all** members as well as racers?

*The 24-Hour+  
 Fishing Challenge*

One of my goals as angling chair was to develop a new BCYC fishing challenge designed to be fun and easy for BCYC members, families and kids. It is called the 24-Hour+ Fishing Challenge. The inaugural event will now be held during the Memorial Day weekend cruise since weather forced the cancelation of the April Avalon Cruise. The second and final leg will happen during Clambake.

The challenge is to catch (and release) any type of fish or sea life. An optional activity during these two cruises, it begins from the time you leave your harbor and ends at 2 p.m. on the Saturday of that particular cruise. Fishing can be done from dinghies, docks, off the beach or any boat. Use your choice of fishing equipment and bait or lures. Then, catch and release – it is recommended to have your needle nose pliers close at hand, catch your fish, take a picture, use your pliers to unhook your catch and release! At the Saturday night event, prizes will be given in multiple categories. Each person must have a fishing license to participate. Visit [wildlife.ca.gov](http://wildlife.ca.gov) OR buy at most local sporting goods stores. Price range is: one-day pass, \$15.20; two-day pass, \$23.50; annual pass, \$47.01. Expiration for all passes is Dec. 31, 2016. Anglers 15 years and younger are free.

**Reminder** – we are always looking for pictures and articles to post about BCYC families and members who have been out fishing, and we would love to include them in *The Masthead*. Don't forget about the "Kiss Your Catch" photo contest!

**Lily Call Bay Tournament** – hosted by Balboa Angling Club, May 21-22. We have six BCYC members already signed up and would love to have more participants. Please contact me at [rhtolar@gmail.com](mailto:rhtolar@gmail.com) if you would like to join this event.

Good things come to those who bait!

 **Dear Carol – Digital Dilemmas Defused**

**Five Facebook Facts**

**Dear Carol:**

I get that Facebook is popular, but I'm tired of hearing about it! What's the big deal?

*Signed, Not a Fan*

**Dear Not a Fan:**

I hear what you're saying! But the fact is that Facebook isn't just popular – it's important. Did you know:

1. Facebook was founded at Harvard in 2004 and, according to The Guardian, "Within 24 hours (of going live), 1,200 students had signed up."
2. Venture Beat says, "Facebook now has more than 1.5 billion users."
3. Facebook's fourth quarter earnings report for 2015 revealed that mobile devices account for 1.44 billion monthly active users.
4. Pew Internet says, "82% of online adults ages 18 to 29 use Facebook, along with 79% of those ages 30 to 49, 64% of those ages 50 to 64 and 48% of those 65 and older."
5. Journalism.org says that "about one-third of Facebook users (32%) say they post about government and politics on Facebook, and 28% comment on these types of posts."

What that means is that the population of the Facebook audience is almost five times greater than that of the United States. A group equivalent to about 20% of the world's population logs onto Facebook from mobile devices daily. Facebook use transcends age groups, and it's where a significant portion of the debate about big issues – like the presidential election – is taking place. And it's grown to be this big from an original audience of 1,200 college students.

So, you might not like it, but it looks like there are a lot of people who do, and they're using it every day! If you haven't already, make sure to "like" BCYC on Facebook to keep up with club news and events. *Carol*
