By Land Or By Sea, The Desert And "Great White Way"

These last three months have been a whirlwind of events, all of which have been hugely successful, way beyond my expectations.

Starting with the Commodore's Ball, there is a tradition that the commodore picks the theme and then is excluded from all preparation until the day of the ball. Anyone who attended can certainly attest that the incredible organizers, Kari Konapelsky and Lauri Moffett, their assistants and our staff did a spectacular job transforming BCYC into the Sonoma Valley wine country, with cuisine to match! With Kari and Lauri providing the overall plan, General Manager Scott Jones, Chef Georges Rapicault, Food and Beverage Manager Bruce Fottrell and their teams were awesome. Special thanks to Jeff Granbery (photography) and Cary and Silvia Breeden (printing pictures on special photo fabric) for creating the wonderful life-sized backdrops. Our pre-ball cocktail party hosts – Staff Commodore Tom and Mary Madden, Barry and Ann O'Neil, Director Rhonda Tolar – were equally impressive. Lynn and I, and our families, will never forget this unbelievable event. There are no words to express our deepest appreciation to all.

On the water, we have hosted the annual Midwinters in February (under somewhat trying conditions with more than 30 Harbor 20s

out in the bay, as well as the Mills Series. Our Junior Program is ramping up for their spring program that just began, and the Camp Corinthian summer program. In the marina, the new floating docks have been installed, which will help to make launching CFJs easier. The funding for these docks was a direct result of monies raised during The Gala held last September.

Our Desert Land Cruise, under the watchful eye of Lauri and Rear Commodore Steve Moffett, was an immense success with activities for everybody. This is just one of many cruises that Lauri and Steve have planned for this year. I would like to make an appeal to you all. This is the second year they have chaired the Cruise Committee, and given that Steve is moving through the chairs, his duties and commitments will continue to grow. Therefore, I am soliciting members who would be interested in being Cruise Committee chairs in 2018. Let me know and be assured you will be supported, and Lauri and Steve will be great tutors.

Our production of Southern Fried Showboat is history and I want to thank the entire cast and crew, and most of all, Showboat organizers Nancy Bryant and Joan Delaney. Director Larry Watts helped us make this show happen, with patience that exceeds anyone I have ever met. The passion, dedication and commitment on the part of our fellow members to make this long-standing tradition such a success each and every year is quite remarkable.

In summation, I would like to state again the observation about BCYC that I made at the Commodore's Ball. We are inclusive, we help when it does not seem possible, we give when others won't and we care because that is who we are!

Open House Success

Thank you to everyone who helped make our first Open House in 2017 a great success. We had more than 100 people tour our facility, meet members and learn about the club. Some of the attendees even stayed for dinner. Several new members should be joining BCYC in the coming months because of this event.

Check out the bulletin board near the club office and see the Regular Flag and JFlag members who have recently joined. Welcome them to BCYC!

Save the date and plan to join the Membership Committee for a New Member Cocktail Party on Friday, May 5. This will be the chance to formally welcome new members who have joined BCYC from November, 2016 through April, 2017.

We look forward to having members become part of the Membership Committee team. Please contact me if you are interested in helping continue the membership growth at BCYC.

DID YOU KNOW ? Important Stuff

Miguel Reyes: Miguel has worked at BCYC in the kitchen for 29 years as our Pantry Chef, after starting out as a dishwasher. Miguel and girlfriend, Rosalba Seja, have been together for three years. He enjoys shopping in his spare time.

Lenny Gallegos: Lenny has worked at BCYC in the kitchen for 25 years as our Sous Chef, after starting out as a dishwasher. Lenny and his wife, Olga, have four children. In his spare time, he enjoys soccer.

Sail Fleet Captain
Bill McNamara
sailfleet@bcyc.org

California
Boater Card

Fellow boaters, the information below should serve as a reminder: in less than eight years, we'll all need to have a California boater card issued by the State of California. Some details about this new requirement are detailed here.

A law enacted in 2014 requires an individual to pass an examination and obtain a California boater card from the California State Parks Division of Boating and Waterways (DBW) in order to operate a motorized vessel on state waterways. The state waterways definition, per DBW, includes the ocean up to three nautical miles from shore (includes Catalina). The card will be issued to individuals who provide proof that they have passed a state-approved boater safety education examination.

Beginning Jan. 1, 2018, the requirement to possess a California boater card will apply to boat operators 20 years of age or younger with a staggered implementation date, depending on the age of the individual, until it eventually applies to everyone in 2025. The cost of the card will be no more than \$10 and the cost of the course is set by the course provider.

The card will be valid for the lifetime of the individual and would not need to be renewed. Several organizations have been approved to offer this boating safety course. Visit californiaboatercard.com to find approved courses as well as full details about this California boater card.

Dock Parties
And Wonderful
Dining

I would like to thank the 50-plus members who attended our first meeting to discuss the Opening Day dock parties. This year, our plan for these parties includes decorating the docks around the theme of tropical islands. With that in mind, planning the food and drink, and dock decorations will be shared by all members who want to be involved, regardless of whether you have a boat in the marina. Contact me at rhtolar@gmail.com, so that I can assist you in becoming part of a dock team and help make this an Opening Day for the ages. Everyone plays an important role in this event.

Signature Dining nights have been very successful and many members have expressed their enjoyment of the experience. Some of the highlights have been new menu items by Chef Georges Rapicault, beautiful ambiance and awesome service. Reservations are a necessity, as these events sell out quickly.

Sunday Night Suppers have seen more than 40 members each Sunday night enjoying two special entrees, or the Columbia Room menu, in our cozy Lounge area. This room is decorated each Sunday, providing a warm and friendly ambiance. The four-course meal changes weekly and is a great deal at \$18++ per person. Reservations are highly recommended so that you don't miss out on this fun way to spend Sunday evening at BCYC.

Remember, you are welcome to attend the Food and Beverage Committee meetings on the second Thursday of the month at 6 p.m. You can help be an important part of planning new and exciting things related to food and beverage at BCYC.

SHOWBOAT 2017

*Committees And
Events - Be There*

Bahia Corinthian Yacht Club is in great shape and ready for spring and summer. The House Committee, led by Staff Commodore Ted O'Connor, has worked diligently to get the club looking sharp for our upcoming hectic schedule. Wood flooring has been refinished, and new granite and paneling has been installed around the Board Room and Card Room fireplaces. Columbia Room tables have been completely refinished, thanks to DRM Steve Brown, and the wood wall treatments have been refinished. New carpet should be installed throughout the main floor before summer. Big thanks are due to Ted, and Juver Garcia and Mario Nieto, our club maintenance team.

Land-based committees are busy planning and putting on events. Monthly meetings begin with the wrap-up of the last event and then turn to finalizing plans for the next event. After all of that hard work, the formal meeting is adjourned to the Columbia Room or Dining Room to complete and promote these plans. All of these committees are open to all members and I encourage every member to participate in a committee. Remember, there are also very active water-based committees that need your experience and help. If you are unsure where you fit in, contact one of the club officers or directors – they will find the right place for you. Finally, if you have already spent enough of your life as a committee chair or volunteer, just come down to the club and enjoy the events.

**JEC

*Opening Day -
Be There*

Opening Day is next month, Saturday, May 13. If you've never been to this annual celebration, or you weren't sure what your kids might get out of it, this is the year to check it out. The Food and Beverage Committee is coordinating dock parties with a tropical island theme. And, for the first time, the Junior Events Committee will host a Kids Area at the pool and pool patio. The pool will be heated and a certified life guard will be on duty. There will be hot dogs and

Welcome Spring

Have you ever wanted to welcome in spring, talk to the Easter Bunny, dance the night away at a jazz speakeasy and celebrate Mom all in the same place? Well, at BCYC you can do exactly that!

Our holiday design team is busy helping to get the club ready for brunch with *The Bunny* on Easter Sunday, April 16. April 29, you'll need the secret password to be admitted into the Bahia Corinthian Speakeasy, where you can enjoy small plate creations from Chef Georges Rapicault while listening to some hot jazz tunes. Put on your zoot suit and feather boas – you will be in the mood for JAZZ.

Bring the family to celebrate Mom at Mother's Day Brunch at BCYC May 14. Our decorators will make sure everything will be as beautiful as she is! Make reservations early for this always sold out event.

It is never too late to join in the fun of planning and putting on events at the club. Our summer event schedule has many opportunities to get involved. Please come join us on the second Wednesday of each month at 7:30 p.m.

lemonade, a bouncer/slide and other activities supervised by teen members.

The day's ceremony is filled with tradition. Come, bring the family, witness the pomp and circumstance, and enjoy the awesome dock parties. If you bring your kids, they will be well taken care of and enjoy the day as much as you will. We hope to see you there!

The JEC will be planning more events, so if you would like to receive direct notification about them, send an email to bcyclub58@gmail.com to get on the distribution list.

*Golden Bear and
 Gaucho Regatta Recap*

Last month, BCYC high school sailing team members competed in the Golden Bear Regatta at Treasure Island Sailing Center in San Francisco, and the Gaucho Regatta hosted by Santa Barbara Yacht Club. BCYC sailors competing for Corona del Mar and Newport Harbor High Schools enjoyed easy camaraderie and a friendly rivalry on and off the water during these regattas.

Corona del Mar took fourth place and Newport Harbor High School finished fifth in the Golden Bear Regatta. Both teams mutually agreed that they experienced very tricky conditions. The weekend proved to be tough all around, with drastic changes in wind direction during and after each race. Difficulty also came with predicting the shifts, which made choosing either side of the race course a 50-50 gamble most of the time.

The Gaucho Regatta had sailing conditions that were somewhat less tricky, but still quite challenging. As the final event on the schedule before the Pacific Coast Championship, CdM placed third and NHHS was seventh.

The championship, hosted by Cabrillo Beach Yacht Club April 22-23, will be the culmination of the high school sailing season. It has been another great season of learning and enjoying sailing.

Spring has sprung, and new items are arriving weekly in the Ship's Store! Come check out our nautical home decor items, as well as new fashion jewelry pieces. We are excited to introduce BCYC rhinestone broaches and burgee lapel pin, coming in early May, just in time for Opening Day. Each of these pieces will cost \$18 and will sell quickly. More details about these new additions will be sent to you via the weekly update. Feel free to contact me with any questions at lori@skydiamonds.com.

- Lori Curtin, Ship's Store -

Be Safe and Win!

Now is the time to start reviewing the vessel safety checklist in anticipation of BCYC's Opening Day event May 13: the annual Boat Maintenance Competition and Inspection. It's easy to do and you will have the satisfaction of a Bristol and safe boat with a trophy or decal to prove it!

The competition is based on the Bristol condition of the boats entered and is conducted by the Balboa Power Squadron. There are two classes for point evaluation. Class 1 involves items required by Coast Guard regulations, while Class 2 items are necessary for the prudent operation of the vessel. Points are awarded based on the following criteria:

- Absent, not functioning or not easily accessible – 0**
- Functioning, but in poor condition – 1**
- Functioning, but in fair condition – 2**
- Functioning, and appears to be new – 3**

The inspectors look for things like personal flotation devices, navigation light operation, displaying the required CF number on your dinghy and overall condition of the vessel. Sound easy? It is!

Available categories are: up to and including 34-feet; 35-to 45-feet; 46-feet and over; and electric boats.

There are separate trophies in each of the first three categories for both power and sail boats. Regardless of your boat's size or type, you can be a winner! Please contact me if you have any questions.

If you don't want to compete, plan to sign up for the Coast Guard inspection and earn your boat a safety decal. It is a courtesy inspection and their findings are given only to the skipper of the boat. Visit vesselsafetycheck.org for more details. The website not only has an item-by-item description of the safety check, but you can also use Online Vessel Safety Check, an interactive program that lets you determine if your boat would pass a safety check. This same information is available in the front office.

The competition and inspection begin at 9 a.m. on Opening Day. Find the sign-up sheet form by visiting bcyc.org. Bring your boat to BCYC for the competition and Opening Day dock parties. The club office will begin accepting dock reservations April 1, after noon. Good luck!

Cooking And Eating Adventures

Our annual fashion show sponsoring Camp Pendleton Marine wives was a fabulous event featuring BCYC models! Over 120 attended, including 36 Marine wives.

Many thanks to everyone who generously sponsored a wife! I would like to send a special shout-out to my dedicated board members for all of their hard work pulling the show together: Sally Cohen, event chair; Sally Sopkin, vendors co-chair; and Peggy Granbery, auxiliary liaison, for coordinating between BCYC and Camp Pendleton.

Please make plans to attend our cooking class with Chef George Rapicault March 11, 10:30 a.m.

Cruising
Lauri and RC Steve Moffett
laurimoffett@gmail.com

*Fun In The Sun -
 More To Come!*

Our Second Annual Desert Land Cruise was another fabulous success! The 18-Hole Putting Game on Friday started the competitive juices flowing. After the putting course, our thirsty putters headed to the beautiful home of Heidi and Kelley York.

The weather was near perfect for Saturday golf at Indian Wells Country Club, and the *Golf Cart Girls* made sure all of the golfers were properly nourished and hydrated. Castelli's Restaurant put on a delicious Italian dinner Saturday night. Our land cruisers are now looking forward to the Santa Barbara Yacht Club Land/Sea Cruise in July.

Congratulations to the golfers and putters. The competition was fierce and the winners in the putting game were: **1st place, Park Hawz**; 2nd place, Cathie Miller; 3rd Place, Melina Michaels; and the **Hole-in-One by Ed Czisny**.

A big thank you to: Kelley and Heidi York for sharing their home and organizing the putting game; Commodore Chuck Wert for organizing the golf tournament at Indian Wells Country Club; Silvia Breden, Maxine Czisny, and Lynn Lyon for very capably handling *Golf Cart Girls* duties.

Avalon, April 21-23: Plans for this cruise include a cocktail party at Catalina Island Yacht Club on Friday, miniature golf on Saturday, followed by dinner at CIYC, catered by Steve's Steakhouse. Please come and enjoy a casual weekend with BCYC friends.

Looking ahead to May, we are going back to Long Beach Yacht Club for an exchange cruise over Memorial Day weekend! Please watch your email inbox for more information to follow. This is open to all members even if you do not have a boat. It's a 30-minute drive from BCYC and we would love to have you join us there. You can sign up beginning April 29.

Our Cruise Committee monthly meetings are held the first Wednesday of each month at 7 p.m. Please join our fun group and help us plan the upcoming cruises. We look forward to seeing you all there!

Vice Commodore
Jerry Shandera
bulkmaterialsystems7@gmail.com

Water Fun

The spring Sailing Program is in full swing, the Catalina Island Yacht Club cruise takes place this month and the Newport to Ensenada pre-race barbecue April 27 will be a real kick. All of this just gets you primed to enjoy Closing Night, Opening Day and Mother's Day, May 12-14.

Taco Tuesday lights up the club starting May 16, with the final 2017 race Aug. 29. There are many things to enjoy about this BCYC event, including fun racing in the harbor (PHRF and Harbor 20), awards and raffles, AND an amazing Mexican buffet. Taco Tuesday is for everybody — racers and those who want to enjoy great food on a Tuesday during the summer at BCYC. The club opens at 4 p.m., so make plans to be part of the TT festivities.

An old tradition, the Memorial Day weekend Long Beach Yacht Club cruise returns. Sign up starts April 29, and the beauty of this cruise is that both boaters and members who want to drive up can enjoy the many cool things our Cruise Committee, headed by Lauri and Rear Commodore Steve Moffett, have planned.

The Santa Barbara Yacht Club Land/Sea cruise, aka Adventure Cruise, will include activities in and around SBYC July 13-16, followed by an extended cruise to the Channel Islands, concluding at Two Harbors. While the first information meeting was held in March, contact Larry Fortmuller or Lauri Moffett for additional information. Please note that the first portion of this cruise can be enjoyed by members who wish to drive or take the train to Santa Barbara.

So, whether by boat, car or train, have fun on and near the water.

"People who wonder if the glass is half full or half empty miss the point...it's refillable."
