“But What, and It’s a Wrap!”

Our Showboat experience is now but a memory, and it will never be forgotten, lasting a lifetime. Both Lynn and I were so impressed with the dedication, passion, patience and yes, the talent, that exists within our club. For us to participate in this 45-year tradition was a special privilege. The cast and crew, along with our exceptional staff, entertained and cared for more than 400 patrons during the four-day run of Showboat. Not having experienced this first-hand before, I wondered why we do this event? Now I know and can firmly attest Showboat is part of our BCYC family DNA.

Congratulations and many thanks to Nancy Bryant and Joan Delaney as the show organizers, and Kari Konapelsky, Kristy Parr and Director Rhonda Tolar for all their work on decorations and costumes. Special thanks to Nancy and Michael Bryant for designing, and Cary and Director Silvia Breeden for creating the set backdrops that made us all feel like we were in New Orleans. There are also many members to thank behind the scenes, including: Vice Commodore Jerry Shandera, stage manager; Dick Stone and Secretary Ginny Lombardi, technical support; and Director Bill Parr and Dale Forester, construction leads. To the cast, thank you for welcoming Lynn and me into your show family, as well as your many contributions to making this show a success. It’s a wrap until next year.

The weather is heating up and the rains are gone, so that means the boating season begins in earnest. In April, we had a great turnout for the Avalon Cruise, hosted by Lauri and Rear Commodore Steve Moffett. Thank you both for a great cruise and all your hard work.

The annual Newport to Ensenada Race has always been an event that I planned to sail in, while also swearing each year I was done. This race will mark my 40th year of participation, “and last” according to Lynn – the crew that will join me are all from years when we trophied. In addition, we will have our special chef on board to ensure all crew is properly fed and hydrated with the appropriate wines (and water) in keeping with our slogan, “hungry soldiers can’t fight.”

Opening Day, May 13, will feature a return of great dock parties and temporary docks so that we can have as many members’ boats in the marina as possible. Contact Director Rhonda Tolar with questions about how you can help with the dock parties.

Of course, Closing Night precedes Opening Day and that Friday will feature the LLS Poker Run, Closing Night ceremony, and Prime Rib & More. With Mother’s Day on Sunday, make plans to enjoy BCYC during a very busy three days.

Finally, I am pleased to report the Board of Directors approved the BCYC Strategic Plan and Mission statement to establish a blueprint

for the long-range plans for our club. Many thanks to Staff Commodores Mary Bacon and Marshall Caplan and their team for all the hard work and time. This document will be reviewed at least annually as to its relevance, and modified to fit the changing times. I have asked Director Stuart Leigh to head the inaugural Strategic Plan Committee. If you have any interest in serving on the committee, please contact Stuart directly.

BCYC Mission Statement

BCYC will be the friendliest family oriented yacht club in the Newport Beach area that provides a well maintained facility and infrastructure for members who share a passion for yachting, community and camaraderie. We will actively support and endorse all levels and types of boating, maintain a high standard of boating education and continually strive to perpetuate our reputation as a club dedicated to providing an outstanding boating, recreational, dining and social experience for our members, guests and the community.

New Member Event
May 5

One of the best things about the Membership Committee is the opportunity to meet and interview prospective new members. Then, when they are approved for membership, we get the chance to introduce families and individuals to what BCYC has to offer each of them.

Our BCYC family is expanding – make certain you welcome the folks wearing the blue name tags. Please check the bulletin board near the club office to see pictures of all our new members. Of course, each of us needs to wear our name tag so new members can get to know us, too.

Join us for the New Member Cocktail Party May 5. This will be a great chance to meet all the new members who have joined BCYC since November, 2016. Make your reservation via the club office or website for this evening, which begins at 6:30 p.m.

DID YOU KNOW ? Important Stuff

Did you know that as of May 1, BCYC has kayaks and paddle boards for members and their guests to use? There is no charge for a member, while your guest will pay a \$10 use fee. The equipment is available Wednesday through Sunday and can be checked out as early as 10 a.m. We do ask that you return the equipment prior to 7 p.m. In order to use these paddle boards or kayaks, stop by the club office to sign the liability waiver and check out the paddles.

*Yachts, Racing
From the Beginning*

It is hard to separate the history of yachting from the pursuit of maximized speed. World explorers raced to find new shipping routes and claim new lands, navies raced to defend and expand national borders, commercial and government-backed ships raced to deliver goods and mail around the globe, fishermen raced to get to the best grounds and then back to market to get the best prices.

Speed is desirable in most yachting activities, particularly the leisure pursuit of racing for sport. Here at BCYC, we support that centuries-old tradition by hosting dozens of yacht racing events each year. There are 95 member organizations in the Southern California Yachting Association, but few provide the number and diversity of racing opportunities that BCYC does to its members, the larger yachting community and to the public through our junior programs and opportunities to crew on boats in BCYC-hosted races.

Our cruising sailors share stories of trimming sails for better speed when racing the sun to their next anchorage or to stay ahead of an approaching storm. The skills polished in local and offshore racing are useful wherever a sailboat may roam. BCYC and race organizers throughout Southern California are creating special race classes and race-handicapping options for sailboats not necessarily designed for racing, but that can benefit from the skills honed in racing and the camaraderie that competition forges. Consider joining us for BCYC's Taco Tuesday Series in the harbor or the Angelman Series offshore. Let me know if you need crew or insight into the new PHRF rating system being promoted to increase participation among more "comfortable" sailing ships in the local racing scene.

Food and Beverage

*Food and Beverage -
Cool Stuff*

Sunday Night Suppers have been a great success. The room, our fireside Lounge, has a warm and friendly ambiance. The four-course meal offers a choice of two new entrees every week and priced at \$18++. Along with the two dinner specials, the Columbia Room menu is also available. I highly recommend making reservations as these suppers have been selling out.

This year's **Taco Tuesdays**, featuring an amazing Mexican buffet, runs every Tuesday from May 16-Aug. 29. The buffet is open to all members and, if you aren't racing, come early because about 100 sailors join the fun at approximately 7:30 p.m. after an evening of racing. The club opens at 4 p.m. and the buffet is available from 5-8:30 p.m. Don't miss out on this spectacular evening of food, libation and raffle prizes.

Finally Fridays Gourmet Burgers are a new attraction this year and will be available every Friday, from June 2-Sept. 1. Fill out an order ticket that to create your custom burger — on a brioche bun with three different selections of meat and a vegetarian option. Other choices include regular fries, NEW seasoned fries, or onion rings with many extras to create your own personal gourmet burger.

Signature Dining will host the June 16 **Winemaker** dinner featuring Balverne Winery. This will be a fabulous dining experience with reservations limited to 70 attendees. Make your reservation as soon as they become available. Don't wait to be wait-listed!

Please remember that new and exciting food and beverage events continue throughout the year. All members are welcome to attend the Food and Beverage Committee meetings held on the second Thursday of the month at 6 p.m.

Summer Fun and Race For A Cure

The money that we raise through all of our BCYC-Leukemia & Lymphoma Society events goes to research for ALL cancers, not just Leukemia and Lymphoma. In fact, the following cancer drugs were discovered by LLS research:

- Gleevec: skin and stomach cancers
- Velcade: brain, breast, colorectal, kidney and lung cancers; and organ transplantation
- Rituxan: autoimmune diseases, rheumatoid arthritis and testing for multiple sclerosis and other autoimmune diseases, including lupus nephritis, as well as patients undergoing organ transplants
- Thalidomid®: inflammatory skin complications from leprosy, Alzheimer's disease, pulmonary fibrosis, HIV related sarcomas and patients with bladder, brain, head and neck, ovarian, pancreatic and prostate cancers

Thirteen years ago, the BCYC Leukemia Cup Regatta's history began in a Newport Beach race sponsored by the BCYC Junior Sailors. The open participation regatta raised money to help fight blood-related diseases. In 2004, Nancy Levy, club member and BCYC's junior sailing director, introduced the nation's first-ever Junior Leukemia Cup Regatta, when BCYC and Dana West Yacht Club collaborated in sponsoring the Tri-County District (Orange, Riverside, San Bernardino) Leukemia Cup Regatta.

BCYC is pleased to announce that the 2016 funds raised by the club's Leukemia Cup Regatta events totaled \$98,020, which put us over the \$1 million mark. Our goal for 2017 is \$200,000! From that first BCYC-LLS competition, the number of supporters, funds raised and participating boats has increased substantially. Please join us at our 2017 events, which promise to be a big success as well with a jam-packed schedule that includes:

May 12: Leukemia Cup Electric Boat Poker Run

June 3-4: BCYC Leukemia Cup Regattas - PHRF, Harbor 20

June 4: BCYC Junior Leukemia Cup Regatta

June 10: BCYC Leukemia Cup "Dance the Night Away"
Fine Dining - Live and Silent Auction

July 27: BCYC Leukemia Cup Golf Tournament -
Oak Creek Golf Course

Support and participation of our many sponsors, contributors and volunteers is the magic. Through these fun and exciting events, we hope to achieve our 2017 fundraising goal of \$200,000 and find a cure for cancer.

All of the Leukemia Cup Regatta events are open to the

public, so please invite your friends to join us too. For more information and reservations for any of the events, contact Ginny Lombardi or Nancy Levy by email: ginnylombardi@yahoo.com or nancy@goldencircletravels.com.

*Closing, Opening,
Mom, TT*

Opening Day puts BCYC in the spotlight with many members and guests at the club enjoying the festivities and dock parties. A fine tradition on this day is to dress your boat with a rainbow of colors of international code flags. The sequence is based on a harmonious color scheme and has no meaning in term of letters or numerals. If your boat is in the BCYC marina on Opening Day, May 13, please take the time to dress her with flags. The pageantry is only heightened with all the boats dressed for the day.

The weekend of May 12-14 is a very busy one at the club. Closing Night, the Poker Run and Prime Rib & More all take place on Friday. Saturday is Opening Day and Sunday is Mother's Day. Make plans to come early and stay late!

Taco Tuesday returns to BCYC starting May 16, running through Aug. 29. TT includes racing in the harbor, awards, raffles AND an amazing Mexican buffet. This event is for everybody — racers and those wanting to enjoy great food and beverages. The club opens at 4 p.m., so make plans to be part of the TT festivities.

Art Talent

We have quite a lot of talent here at BCYC! Many of our members, of all ages, painted beautiful acrylic-on-canvas masterpieces at the Family Paint Party April 9. Some of these will be displayed at the Father's Day Art Show. Be sure to take a look!

Wow, So Much Fun Stuff!

While recently attending an Opening Day at another yacht club, I looked around at the gathering of attendees wearing blue blazers, sipping champagne in front of beautiful yachts and thought, "this is what people think we do when I mention I belong to a yacht club." While we do have our "blue blazer" events at BCYC, all of our activities are meant to be fun and leave members smiling, with great memories. Between October 2016 and April 2017, we have dressed like cowboys for Halloween, watched the Christmas Boat Parade from our award-winning club balconies and patios, toasted in the New Year, partied at our elegant Commodore's Ball, enjoyed an amazing cooking class with Chef Georges Rapicault, been part of Showboat, reveled in our off-off Broadway dinner theater and been entertained with smooth jazz at Lounge Night. All of this took place in and around our own BCYC clubhouse!

As we move into summer, we are looking forward to pulling out all the stops with the June 16 Winemaker Dinner featuring Balverne Wines, enjoying the Pizza and Movie Night June 17 and ending the weekend celebrating Dad at our Father's Day Brunch with the member car and art shows – cars and art are proudly displayed for all the dads and guests to enjoy.

How does all of this possibly happen at one club? It is only because our members have as much fun working together putting on these events as we do attending them. You feel the camaraderie and lasting friendships formed while planning, as well as attending these events, the moment you walk in the door at BCYC. Come, join the fun – the Activities Committee meets the second Wednesday of each month at 7:30 p.m. – blue blazers not needed!

The Gala 2017

Save The Date

The Gala team has been busy preparing for the 2017 event, Supporting *High Achievement on the Water*. Mark your calendar for Saturday, Sept. 23. The evening begins at 5 p.m. with cocktails and shopping the fabulous selection of silent and live auction items. New this year will be several opportunity drawings from which to choose. Dinner will be a delicious choice of plated prime rib or salmon filet. Staff Commodore Mary Bacon will return as our Mistress of Ceremony and live auctioneer, and DJ "Amv1s1on" will spin dance music late into the evening. You don't want to miss it!

The Gala was a great success. BCYC members turned out in support of the Sailing Foundation in every way. From the auction items donated, cash sponsorships, thousands of volunteer hours (adults and kids), materials and supplies, use of the club, donations of food, water bottles, wine, champagne and vodka – together we raised \$40,000! Those funds have been put to great use, with purchases that support activities, education and competition on the water. Be sure to check out the new floating dock on A Dock and the kayaks and paddle boards available for all members to use. And plan to join us again this year for The Gala 2017!

*Spring and Summer
Laser Sailing*

Our Spring Sailing Program is in its final weeks as we draw closer to Opening Day. For the first time in years, BCYC is offering a Laser training class designed to support our sailors interested in learning the boat. This offseason program has been a success under the leadership of our newest coach, Meshach Carson, hailing from Key Biscayne, Fla. Originally from Puerto Rico, Meshach is here to stay through the summer as one of our Camp Corinthian instructors.

For sailors interested in continuing their singlehanded sailing beyond Sabots, perhaps complementary to high school CFJ sailing, the Laser may be the answer. We're also offering a summer Laser class – another first in recent history – with the goal of fielding a strong showing at events, such as the Junior Olympics and the Flight of the Lasers. There are also several other local regattas with a Laser fleet, hosted by Lido Isle Yacht Club, that is open to adults as well.

We currently have three club Lasers available, but it's always recommended to invest in your own equipment to set the optimal stage for success. If you're interested in finding a boat, we can help! We also have new Laser storage options available at the club if you're looking to keep your boat down by the water for the season.

*Lunch, Poker
And Ponies*

Welcome, spring! Las Commodoras celebrated with our popular Progressive Luncheon, visiting three of our members' homes and sharing a different course at each. Over 35 members enjoyed beautiful views, great food and delicious desserts! Many thanks to Doretta Ensign, Sandy Stransky and Jane Stratton for opening their beautiful homes for our enjoyment!

Please make plans to join us May 12 for the Poker Run benefiting the Leukemia & Lymphoma Society. Contact Susie Brodrick in the club office to sign up your Duffy to use in this great LLS benefit event, or to reserve your spot on a Duffy. That same night, plan to be part of Closing Night ceremonies, as well as Prime Rib & More. With Opening Day on May 13 and Mother's Day on May 14, this will be an amazing weekend at BCYC.

June 15, Las Commodoras is sponsoring a day at the races at Santa Anita Race Track. Included in the \$85 event charge is bus transportation, track entrance ticket and buffet lunch, and champagne and snacks on the bus. Space is limited so make your reservation as soon as sign-up opens on May 17!

Long Beach and Isthmus – Here We Come!

We had a wonderful trip to Avalon with a sold-out group of about 80 members and guests attending our Catalina Island Yacht Club weekend activities. Friday night we had a great cocktail party at CIYC, and our cruisers brought yummy appetizers to share. Dinner was open, so many cruisers headed out to, while others dined on our boats. Saturday, we all got into our competitive mode for the annual miniature golf game. The Konapelsky Golf Trophy will be awarded to our winner at the annual Awards Night in November. Dinner on Saturday night at CIYC was catered by Steve's Steakhouse, and what a delicious dinner it was! Many thanks to CIYC Staff Commodore M.L. Buck for hosting us at CIYC.

May 26-29: we are going back to Long Beach Yacht Club for an exchange cruise over Memorial Day weekend. Bring your red, white and blue for this patriotic weekend. This is open to all members, even if you do not have a boat. Teri Leigh is our cruise captain and she has a great weekend planned for us. It's a 30-minute drive from BCYC and we would love to see some new faces! You can sign up beginning April 29.

June 23-25: please make plans to be part of our annual Isthmus Cruise. There have been many changes to the Isthmus/Two Harbors Cove, so we are changing things up a bit. We have more water-based activities for this cruise and a cocktail party/barbecue planned at Isthmus

Yacht Club. Summer will be in full swing, so be sure to sign up for this cruise early, starting on May 20.

Santa Barbara Cruise: July 14-16 are the dates for our land-based cruisers who wish to drive or take the train up the coast. You will need to make your own room reservations. July 13-21 are the dates for our sea-based cruisers. Make sure to sign up starting May 20. Land-based activities include a cocktail party Friday night, lunch at Santa Barbara Yacht Club on Saturday, and a group dinner Saturday night at the famous Harry's Café and Steakhouse. All activities are within close proximity to SBYC and the harbor. More info will follow for our sea-based cruisers on this trip. **June 1, at 6:30 p.m. we will have a planning meeting for our boat cruisers.**

Our monthly meetings are the first Wednesday of each month at 7 p.m. Please join our fun group and help us plan the upcoming cruises. We look forward to seeing you all there!
