Jerry Shandera

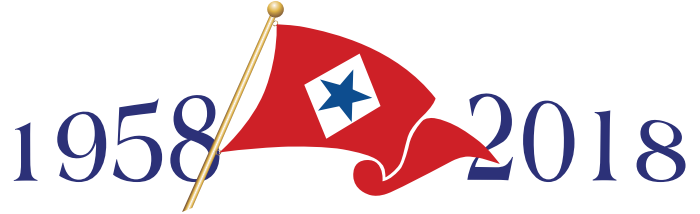

bulkmaterialsystems7@gmail.com

60 Years Young - A Beautiful Thing

The 60th birthday year for BCYC was filled with laughter, music, formal occasions, dancing and cool videos. The merchandise commemorating this milestone was remarkable. It was a very good year.

I truly enjoyed working with a dedicated team of board members, the many incredibly talented committee chairs and volunteers, and our BCYC staff. Each member made a contribution to a successful 2018, and I thank each of you for what you have done to make our club a better place. While my bride, Dee, dealt with recovery from spinal surgery, her support was the cherry on a very beautiful sundae!

As we look forward to 2019 and beyond, there is a strong leadership group in place. The membership is vibrant and very active as evidenced by the many sold out events and cruises. The Race Committee is extremely busy and Las Commodoras provides many interesting and informative luncheons,

spreading goodwill. Facility renovation continues as we invest in BCYC's future. Of particular note is the replacement of the ramp leading to D, E and F docks, and the significant upgrades accomplished on the top floor of the clubhouse. Financially, the club is in excellent shape, a tribute to everyone involved, including the Board of Directors, Finance Committee and club management.

I leave you with the words of Leonardo da Vinci: "I have been impressed with the urgency of doing. Knowing is not enough; we must apply. Being willing is not enough; we must do."

Gift Idea

Christmas is a great time to gift a BCYC membership. Plan to invite friends and colleagues to an open house at BCYC Jan. 27, 2019, from 3-5 p.m. This is a great opportunity to show off the club!

A Note from our Chaplain . . .

“Three things in human life are important: The first is to be kind. The second is to be kind. And the third is to be kind.” - Henry James -

Las Commodoras
Leslie Kazarian
leskaz@att.net

*Is it Over Already -
 WOW - Thanks!*

I have had a fabulous time this year as Las Commodoras president. Working closely with our wonderful and supportive commodore, Jerry Shandera, and Steve Moffett and Ginny Lombardi, vice and rear commodore, has been a complete pleasure – and a whole bunch of laughs. At the annual meeting my tenure will come to a close and Carol Wallace will step in as our fearless leader. The Las Commodoras Board of Directors has been a huge support and each of them have been an inspiration to me in so many ways.

I'd like to take a minute to thank Bobbi Silvey. As past president, she has been an invaluable resource. She has always been there when I've had a question and never fails to step in when we've needed a hand. Both she and her husband, Mark, have stored supplies, schlepped toys and been general consultants on many events. Thank you both.

I'd be remiss if I did not give a shout out to Nancy and Michael Bryant. They too have been a vital part of the team this year. Not only has Nancy been an enthusiastic advisor, she and Michael have become closer friends to my husband, Don, and me. We did not expect to gain what we're expecting to be life-long friends during this process, but I feel they will be stuck with us for a while!

To the other members of the board, I will express my thanks in person. What a wonderful year! We have had some laughs and a number of cries together. I am looking forward to another year of life experiences as we move along this road (or should I say, as we sail this sea).

Thank you too, ladies of Bahia Corinthian Yacht Club – your participation in our monthly events is why the board serves. We hope some of you will consider joining the board as we “older members” fall off. Your input can only make our events more exciting, our bonds deeper and the club better.

See ya at our December luncheon, where we will make our very own centerpieces to take home and enjoy. Peace this season and joy in the coming year.

Rear Commodore
Ginny Lombardi
ginnylombardi@yahoo.com

The end of the year brings retrospection and introspection. Looking back on BCYC's amazing 60th year is a perfect example of what a relatively small group of people can accomplish when working together. All of the committees, as well as club members and staff, made each month special, interesting and fun. Thank you to all of the people who gave of their time and talent to create such a special and memorable year for everyone!

Looking forward to 2019, the calendar is already full! Committee chairs are planning events for each month, the sailing calendar is even busier than 2018 and renovations will continue around the club.

My experiences this year as rear commodore have been fulfilling and enlightening. I like sharing what I learn and have done so in some of my articles. Everyone has been eager to help me through this year and I expect that support will continue next year when I will need it even more! Thank you to everyone who shared their time, advice and knowledge with me.

One last tidbit of information I would like to share with you: have you ever noticed the nautical signal flags that are sometimes flown under the club's burgee? These are the initials of a recently passed club member. Staff Commodore Ted O'Connor takes responsibility for this. When he is officially notified by the club office of a member's passing, he raises the nautical signal flags of that member's initials under the burgee. The most recent display was for Staff Commodore Carolyn Hardy. This is not an assigned responsibility at the club, rather Ted decided to do this out of respect for yacht club tradition, our club, members and their families. As he said to me, “This is one way to create more of a feeling of community and family at BCYC and I think the families appreciate seeing the flags.” Now all of us can appreciate seeing the flags and the significance of the recognition. Thank you, Ted.

The **Sailing Convention for Women**, presented by Gail Hine, will take place Saturday, Feb. 2, 2019, at BCYC. To obtain a reservation form, email gail@sailingconventionforwomen.com or call 951-677-8121. Bookings can be made online at sailingconventionforwomen.com beginning Dec. 10.

House & Grounds
Ted O'Connor
tedoc@aol.com

Changes, Additions

Winter is almost here and much of the work the House Committee has done this year will be ready for the upcoming holiday season. The board and card rooms, and the library area have been upgraded to make them more enjoyable and usable for members. The beautiful pool redo, new fire ring and balcony bar on the upper level are just some of the little things that make BCYC a unique yacht club. The book cases have been consolidated into the Library, and we hope to complete the door upgrade on the top floor in the near future. Additional improvements are being worked on as well.

I would like to thank all of the committee members for their dedication this year in making BCYC a most enjoyable and stunning home on the bay. It truly is a team effort to accomplish these changes and additions.

Sea Shells, Starfish, Anchors and Buoys - A few of our Favorite Things

Christmas is here, and we are full of holiday cheer! Yes, we are full of the Christmas spirit because of the Activities Committee volunteers. The decorating theme for the club interior has moved toward nautical this year. It takes a very large team to plan, design and decorate BCYC. Thanks to our great members who made our club so beautiful.

Ring in the New Year at BCYC – we want to see you at the New Year's Eve bash, the final Jubilee event. Pinch Me! featuring Chandra Reese, will provide the music. New Year's Eve doesn't get any better than this – great food, great friends and great fun!

Now, on to our 61st year as the Friendliest Club on the Bay, we are looking for event chairs for some of our best events, like Super Bowl, Valentine's Day, Mother's Day or Easter. Make them your very own by chairing one of these affairs. Join us at the first 2019 Activities Committee meeting on Jan. 9 at 7 p.m.

Cruising
EB Barden
e.barden@yahoo.com
Paul Secard
psecard@cox.net

Cruise Tour

Hey everybody, thanks for a great Cruise Tour 2018. It was a wonderful season meeting new friends, creating memories and, yes, BOATING.

Our adventures provided us with opportunities to laugh, raft-up, eat, drink, mini-golf, bocce ball and giant jenga our way through it all. We can't imagine a better group of boaters and land-lubbers than those at BCYC.

The Cruise Committee thanks you for making our 60th birthday year unforgettable.

One more thing. Save the date for the Desert Land Cruise: March 1–3, 2019.

DID YOU KNOW ? Important Stuff

Did you know that our Junior classroom on the lower level is available sometimes in the evening for kids, as long as there is a supervisor older than 16 in charge? Contact the club office for more information.

Did you know that if you store a dock dolly under the marina ramps, it won't be a useable dock dolly in the morning? With tide changes, you should not store anything under these ramps.

Did you know that Prime Rib Night is not just prime rib, but also includes seafood, poultry and salads along with a little at-your-table magic? There is something for everyone at PRN, held on the first Thursday of each month (except for Closing Night in May).

JEC

Lori Curtin
lori@marinadiamondandwatch.com

Decorating JEC Style

The Junior Events Committee has been busy this Fall. In late October, we held our second annual Pumpkin Carving event. Listening to spooky music and enjoying hot cocoa and cookies, the pumpkins were adorned with a variety of decorations. Judges Nancy and Michael Bryant awarded prizes for most creative, scariest and funniest pumpkin. Special thanks to Mindy and Tim Wood for providing succulents from their garden. The succulent pumpkins were a hit with the moms. It was wonderful to see new members attend, as well; truly a fun event for all! We will definitely continue with this event in 2019.

Rolling into November, we held our Ornament Decorating Party. Members and their families crafted ornaments to adorn the BCYC family tree. Please make sure to check out this tree. It's always so great to see the creativity of our members.

As we look towards 2019, the JEC has so many fun events planned. We will kick off the New Year with "Adult" Game Night on Saturday, Jan. 19. This event was a huge success last year and it will be even better in 2019! We welcome all members to attend, so if you have a game request, please let us know.

Lastly, we wish everyone a wonderful holiday season and look forward to seeing you in the New Year!

Katherine Stone, Camryn Homer, Chloe Curtin

The Purchase of BCYC Land and Marina

The purchase of BCYC's land and marina unintentionally started in Staff Commodore Steve Askew's year, 1988. The board felt that, to attract new members, we needed a real club manager to have a solid financial standing and be a viable alternative to the other clubs in the area. We hired a young man, Tim Bakels, a great choice who had an immediate impact.

In early 1990, we dared to dream we could strengthen our position even more by purchasing the land. We put together a committee to study it. Soon, rumors about what the committee was considering were flying about – some were even true! I thought we needed to have a way to get the right message to the membership. Knowing each staff commodore had a constituency that they could tell our story to, the quarterly staff commodore's breakfast began. This was the chosen vehicle to get our message to the members.

The next thing we did, and probably the best, was to ask Bill Ward to head up a land purchase committee. 1990 turned into 1991 and after a lot of work, we submitted our proposal to Irvine Company. After a couple months of meetings, they rejected our proposal. Shortly thereafter, the Irvine Company opened up several parcels of land for sale, including the land we sit on. Again BCYC, headed by Bill, went back to work to revise the proposal. At the first meeting, the Irvine Company asked why we didn't include the marina. Back we went to work, doing our due diligence, very excited about the prospect of possibly purchasing the marina **and** land. Several months and many meetings later with city officials, government agencies and the Irvine Company, we signed the documents as I recall, during Staff Commodore Bob Foresman's year, 1994. Five years after we dared to dream, BCYC was the only club, at that time west of the Mississippi, to own its club, land and marina.

Most all the credit goes to Bill, who carried us across the finish line, along with all the officers, directors and members who helped keep the dream alive. Hence the name Bill Ward on our board room door.

The Best of the Best

Each year we recognize those members who have made the greatest impact on the club...those whose performance is above and beyond the call of duty...those who persevere through hours of practice to emerge on top of a tough sailing competition...and many more categories.

There is one category of recognition that I enjoy the most to present – Most Improved Sailor.

Why? Because it usually means a sailboat owner has progressed from slip renter to racer, from spectator to participant. By now, you know where I'm headed with this. We simply need more BCYC members to participate in BCYC races.

Time to make that New Year's resolution; no, not lose 20 pounds (although that is a great goal). Resolve to join other BCYC members on the water in a race. How do I do that, you ask? Simple.

- Attend the Introduction to Sailboat Racing seminar presented by Paul DeCapua on Jan. 31, 2019.
- Add your name to the Crew/Skipper Forum on the BCYC Racing website today. Let people know that you want to crew or that you need crew for your boat. This works!
- Ask one of our Distinguished Racing Members to show you the ropes (no pun intended).
- A DRM can also go with you on the club Harbor 20. I guarantee that once you go out on *Ruthless*, you will be looking in the classifieds.

Of course, you can always join Race Committee and be out on the water learning what racing looks like from the front row. Whatever works best for you, just do it!

Junior Commodore

Riley Foster

Sailing in High School

I am currently a junior at Corona del Mar High School and am on the sailing team there, along with a few other members of the BCYC Junior Board. A few weeks ago, our team participated in the All Girls Invitational Regatta and Keelboat Regatta, both at San Diego Yacht Club. The boys who sailed on the keelboat won the regatta. The girls also placed first, as well as third. The conditions were challenging. Wind picked up to around 14 knots on the first day, which was difficult for some of the lighter teams to keep their boats flat. On the last day of this two-day regatta, the wind was almost nonexistent, accompanied by strong tides. Having the opportunity to travel and sail in high school is amazing. I get to explore different avenues and expand my skills with the help of my coaches, Nate Dunham and Adrienne Patterson.

cameronm@bcyc.org

*SoCal Regatta and
Harbor 20 Tune-up*

Roughly 120 competitors descended on BCYC for a day of racing inside the harbor during the SoCal Regatta. Despite variable conditions and a crowded venue, we were still able to put on a top-notch competition, with everyone leaving happy. Lots of guests enjoyed what the club has to offer and we received several compliments on the beautiful facility we have at BCYC.

In other news, have you seen our club Harbor 20, *Ruthless*, recently? She just returned from the shop last month after a complete overhaul on the hull. Fiberglass and gelcoat damage were repaired, the bottom paint was burnished and she is ready to win a regatta or simply head out for a day sail. As a favor to the club, DRM Steve Brown gave her some love and fixed some major damage to the port gunwale, as well as the bow. Thank you, Steve! If you are a sailor but have never taken *Ruthless* out for a sail, contact me about getting certified so you can enjoy this comfortable boat anytime.

Signature Dining

Joining me as co-chairs in 2019 are Nancy and Michael Means. They are looking forward to adding exciting ideas and enthusiasm to the Food and Beverage Committee.

Sunday Night Suppers in December will be held in the lounge, beautifully decorated for the holidays! Bring family and friends. Chef Georges and his culinary team will be providing fabulous holiday-themed dinners throughout the month.

In 2019, there will be two new Signature Dining events. Look for more information to come in the new year. In the works is an evening of "Dining with a Commodore," as well as Billy Long's famous fresh lobster and Boston chowdah cookout party. We plan to add more signature dining nights for 2019 in our lounge – the room will be decorated with classic nautical flair. Lastly, Food and Beverage Committee meetings are moving to Wednesday nights. The January meeting will be held on Jan. 16 at 6 p.m.

If you have any questions regarding food and beverage at BCYC, you can contact me at rhtolar@gmail.com.
