## *Showboat, Cruising and Racing*

In March, BCYC became a Showboat Dinner Theater. Although this year's show was called the Commodore's Adventure Cruise, it really was 40 other cast members who made this show so much fun! Many of our dedicated cast have been singing and dancing for several years. I want to especially thank all the crew who helped set up and take down the stage, lighting and sound, as well as the helpful and important back-stage crew. Larry Watts has been our director for 18 years and did an outstanding job. Co-chairs Kari Konapelsky, Lauri Moffet and Rhonda Tolar worked all year organizing and planning this event. Job well done, ladies!

Nancy Bryant choreographed and taught our dancers. She not only has the patience for our adults, but also did an amazing job with over a dozen kids who danced in the show. I want to extend a heartfelt thanks to Nancy for her dedication and being such an important part of Showboat for more than 18 years!

Although Showboat has come and gone this year, planning for the 2020 Showboat will begin soon and Vice Commodore Ginny Lombardi will get a chance to show off her stage talent next March.

The Fourth Annual Desert Land Cruise was a sell-out event. Our members and I are so grateful to the Xaviers and Yorks for opening their homes for all of us to enjoy! Cruise chairs, EB Barden and Paul Secard, did a wonderful job planning this great event.

Looking forward to April, I am guessing the rain will stop and better boating weather will prevail. Our first boating cruise will be to Shoreline Yacht Club in Long Beach. Director Rolf and Ronda Rolnicki have everything scheduled and expect a good turnout.

Later this month, April 25, BCYC will host the Newport to Ensenada Yacht Race Send-Off party. Our members took home top honors in four classes last year. BCYC members will be both on the start and finish lines to cheer our racers on. Lauri and I will staff the BCYC Hospitality Room at the Hotel Coral in Ensenada – stop by. Good luck to all our racers and cruisers!

See you on the water or at the club.

*Making New Friends*

The new Bunco group for all, especially new members, will play next on April 18. Come join the fun and make new friends.

Meet the new members approved at the February Board of Directors meeting for membership: Brendan and Patti Brandt, Patrick and Charji Cory, Mark Craig and Jodi Cuthbertson.

The next Membership Committee meetings will be April 11 and May 9. Meetings start at 6 p.m. and provide a great opportunity to add your suggestions about attracting new members and retaining current members.

As a way to get new members introduced, we are planning a new member table at the April 14 Sunday Night Supper. Make plans to join Stuart and me at 6 p.m. for this informal get-together. Make a reservation through the club office and mention the new member table. This will be a perfect chance to meet more club members.

### Great Stuff

The Desert Land Cruise in March was a BIG success! The weather cooperated for the golfers and the putting contest. Thank you, Heidi and Kelley York, for hosting the Friday night cocktail party in your lovely home, and another big thank you to Frank and Mary Ann Xavier for hosting 100 people for dinner at their home on Saturday night. Event chairs EB Barden and Paul Secard did a fantastic job planning the weekend for us – thank you!

The weather impacted our racing schedule due to high winds and rain: the Angelman #2 race was cancelled and the Mid-Winters modified their races. Mother Nature has been very active so far this season.

April brings the Angelman Race #3, the Shoreline Yacht Club cruise, junior sailing and the Newport to Ensenada race. This year, BCYC is hosting the pre-race event on April 25, for N2E racers, crew, race dignitaries and BCYC members. The event is NOT open to the public and members are encouraged to attend.

May begins with the Leukemia Lymphoma Society fundraiser Las Commodoras Poker Run in the afternoon, followed by a themed buffet dinner, Quattro de Mayo. Small boats, such as Duffys, pontoons and whalers are needed to participate. The more boats, the more fun – please contact me at [ginnylombardi@yahoo.com](mailto:ginnylombardi@yahoo.com) with details about you being able to provide a boat! The second weekend is Closing Night combined with Prime Rib Night, Opening Day and Mother's Day. The infamous Taco Tuesday Mexican buffet returns on May 14 and runs 16 weeks. Note: The Del Ray Yacht Club cruise has been cancelled (originally scheduled for the last weekend of May).

In between all these activities, bring a friend to the club for lunch and enjoy the best food and view on the bay.

### Opening Day Marina Reservations

BCYC members can now begin reserving a spot for their boats in the marina for Opening Day. You need to come to the club and meet with Catherine Maffett, marina manager, to complete and sign an Opening Day marina agreement document. If you have any questions, contact Catherine by email or phone ([catm@bcyc.org](mailto:catm@bcyc.org) or 949-644-9530 ext. 22).

### Certification, Fiesta, Opening Day

The year is moving along quickly with many fun events heading our way!

Planning is moving forward to create the US Sailing certification program at BCYC. One of our newest distinguished racing members, Jackson Willet, is a certified US Sailing instructor and has run the program at other venues. He will be part of the team working on this important project. This will bring significant recognition to BCYC as one of the few yacht clubs on the West Coast to offer these courses and certification. The program will be great for members, as well as our juniors, and can be another excellent reason for new members to join the club.

The Newport to Ensenada send-off party is coming up April 25. Many members will be working the event to ensure attendance is strictly limited. Boat owners, racers and crew are very happy to have the event back at BCYC and I feel this shows great support to our sailors and the sport of ocean racing from BCYC.

In other news, save the date for the Las Commodoras Duffy poker run and Mexican fiesta May 4. Last year was a great success and very fun, so don't wait to sign up!

Opening Day will soon be here. Many members attended a dock party planning meeting Jan. 11. This year, the dock party theme is nautical/beach. We have our dock team leaders in place and many members have joined a team. It is not too late – all members are welcome to join whether you have/don't have a boat in the marina. This day is always lots of fun and helping with the dock parties is a great way to get to know other members. Be a part of the May 11 Opening Day party.

### SHIP'S STORE

Spring is here and it's all about the BLING in the Ship's Store. Check out the new nautical purses, tote bags and women's fashions. These items are in limited quantity, so make sure to check out the displays next time you visit the club!

*SNS - Pork, the Other White Meat*

Michael and I are excited to join Rear Commodore Rhonda Tolar to chair the Food and Beverage Committee. For the past three-plus years, we have enjoyed the food offered at BCYC and, of course, the beverages. This year will continue to be filled with exciting foods prepared by Chef George Rapicault and his culinary crew. They are awesome and willing to accept new ideas to make BCYC not only the “friendliest club on the bay,” but also the one with the most variety of food and beverages offered.

Sunday Night Suppers are proving to be a great success. April will be the ultimate Pork Month. Main dishes offered will be a ham dinner, pork chops, pork roast and carnitas tacos. All dinners will have a second entrée choice of grilled chicken breast. The salad bar option will always be a part of the menu with a variety of items to choose from and, of course, dessert.

Plan on attending the Easter Sunday Brunch April 21. Have your photo taken with the Easter Bunny and enjoy the fabulous selection of foods. There will be no Sunday Night Supper that day.

We are hoping to increase the use of our dining room. We will be offering “BCYC Nautical Dining” in the coming months. You will notice a few changes in the room décor, as well as other appealing changes.

Members have brought suggestions to us for items to place on the menu that are presented to General Manager Scott Jones and Chef Georges at our committee meetings. One such recommendation has helped bring three new heart-healthy choices to the Columbia Room menu. Try them the next time you are at the club.

We look forward to hearing from anyone who has recommendations for additions/changes in the food and beverages offered at BCYC. You will have the opportunity to speak directly to Scott, who attends all Food and Beverage Committee meetings. We meet the third Wednesday of the month at 6 p.m.

*Improved Space and Ongoing Upgrades*

Is eight inches of extra space enough? Since the last main floor remodel, guys have dealt with much less in the main floor bathroom. Many felt they were in an airplane restroom with nowhere to turn. Now, at long last, they will be relieved to find that expanding the stalls has corrected a few practical issues and will allow the guys to breathe a big sigh of relief, and spread out!

Meanwhile, the House Committee continues to improve the upper floor spaces with newly approved bookcases in the Library and refreshing the restrooms on this level in the future. Members donating nautical books to the Library will receive acknowledgement with a note pasted inside the covers. Continued participation by active and caring members on the House Committee provides more options to improve the function and appearance of our club.

**DID YOU KNOW ?**

**Important Stuff**

**Did you know** that Aubrey Mayer has agreed to be BCYC’s new Junior Sailing Director? He has been with BCYC since September, 2018, as our head sailing coach and also is the coach of the Mater Dei High School sailing team. Prior to moving to Southern California, Aubrey coached and directed sailing programs for the Orient Yacht Club in Rhode Island for almost 10 years. He brings an advanced level of coaching to BCYC for the double-handed programs. The Mater Dei team sails out of BCYC as well. Aubrey resides in Costa Mesa with his wife and two soon-to-be junior Starfish sailors!

**Did you know** that there are new, healthy items on the Columbia Room menu? These include grilled ahi, vegetable spring rolls and a veggie burger. The burger is provided by Beyond Meat, a supplier who is making a big splash with their products in many large restaurant chains.

Arbor Day

April is a tough month to write an article for *The Masthead*. Should we mention April Fools Day, or Easter, or Earth Day or Arbor Day...or should we only focus on our races?

The Bogart Series was held in late March – race over to Avalon, spend the night and race back. If you missed the Bogart, you missed a big one. Writing this article well before it gets published, we are predicting perfect weather and winds.

The last race of the Angelman Series is this month. Looking back at the series, the first race was really memorable. Rainy and cold at 9 a.m. with bright sunshine and 10 knots of wind during the race. One of those “wow” days of racing. Visit the Angelman webpage for photos (from BCYC home page, click on Racing, then on Angelman Series image).

April is also the first month of the Lorin Weiss Series – Harbor 20s sailing multiple windward/leeward races. Think of windward/leeward racing as running full speed the length of a football field, then turning around at the goal post and running back, then doing it again. Just writing about it is exhausting.

Looking forward, it is time to plan for Taco Tuesdays. Advertise on the BCYC Racing Crew Forum — find a boat to race on or find crew for your boat. May 14 is right around the corner, so get busy now!

So...what about the title of this article? Well, Arbor Day is a holiday in which individuals and groups are encouraged to plant trees. Let's do our part. Keep the land green and the oceans clean.

Into Spring with Succulents

BCYC members experienced a fun and productive time at our Simply Succulents Luncheon. Everyone enjoyed a delicious luncheon prepared by Chef Georges Rapicault and his culinary team, and then had the fun of creating their own beautiful succulent arrangements to take home to beautify their homes. Thanks to Lori Curtin, who chaired this interesting and creative event, and to Cathy Miller for the lovely table decorations.

On April 13, Las Commodoras will host our ever-popular Dog Show. Get your best friend ready for this much-loved event and join us on the lower patio at 9:30 a.m. for a morning of pure doggy fun.

Please come out and support the Leukemia & Lymphoma Society at our annual Poker Run on Quatro de Mayo (May 4). Hitch a ride on a Duffy for a fun evening on the water, followed by a fiesta dinner at the club.

*By Sea or Land!*

The Desert Land Cruise was a fabulous success thanks to the planning efforts of EB Barden and Paul Secard. Many thanks to Heidi and Kelley York, and Mary Ann and Frank Xavier for opening their beautiful homes for all of us! We were quite a large group this year – these members deserve our gratitude. Congratulations to all who participated in the golf and putting contests. In the putting contest, first place went to Pete Compton. Winners of the golf tournament were Hollace Barden, Cathy and Ken Ross, and Shane Scrambary. Way to go golfers/putters!

The next cruise on this year's calendar is the Shoreline Yacht Club cruise in Long Beach (Shoreline Village). This cruise is so close you can come by sea or by land – it is only 22 miles from BCYC. We have plans for dinner at Q Smokehouse and a prime rib/salmon buffet at SYC. You might want to brush up on your Queen Mary trivia as we will be going on a scavenger hunt on the ship. Everything is close enough to walk to and there is also a free bus service throughout downtown Long Beach and to the Queen Mary. The Hyatt Regency is close by for those interested in booking a hotel room. There is so much activity in this area that we do not have time to do it all! If the hustle and bustle of downtown Long Beach is not your cup of tea, feel free to skip some of the activities, relax on your boat and join us for the dinners. This cruise has it all.

After much deliberation, the decision was made to cancel the cruise to Marina del Rey this year. Keep posted as alternative ideas are being tossed around for Memorial Day Weekend that I am sure will not disappoint.

Please “save the dates” for the upcoming cruises this year:

- July 25-28 – Clambake
- August 15-18 – JSC Cruise to Lake Arrowhead Yacht Club
- August 30-September 1 – Newport Raft-Up
- September 27-29 – Isthmus Cruise
- October 25-27 – Avalon CIYC Cruise

ATTENTION CRUISERS – hot off the presses! This year's BCYC Safari Clambake Adventure Cruise is sure to be a smash. Start planning for this cruise now. **Please note that Clambake is being held in July this year.**

Our meetings are held on the first Wednesday of every month at 7:15 p.m. Come join us in planning some super fun cruises!

*Sailing Into Spring!*

The Junior Events Committee (JEC) kicked off March hosting the Junior Sailing Parent Mixer. Parents enjoyed wine and cheese on the pool patio while the kids wrapped up their first day of Spring Sailing.

We relaxed, sipped and shopped during Ladies Spa Day. We stretched our bodies with a yoga class by YogaWorks. We then got our glow on with mini facials by BCYC member Sherena Jarvi from My Favorite Skincare. Finally, we shopped fun fashions from BCYC member Eva Waite with Eva's Trunk & Denim Bar.

Parents, mark Saturday, April 27 for Parents Night Out. Enjoy music by the BCYC house band, Aged to Perfection, rocking out with the best songs from The Eagles. Childcare will be available from 6-10 p.m. in the Junior Room. Space is limited, so please contact Lori Curtin by April 20 for a childcare reservation.

*Making Good Times Happen One Event at a Time*

Green! Green! Green! St Patrick's Day was a blast thanks to leprechauns EB Barden and Teri Leigh. Potato peeling, gin rummy and games galore, and amazing Irish food and themed cocktails set the bar high for future events.

Get the Disco Fever and hustle on over to boogie down to your favorite disco-era hits Friday, April 12, 7-10 p.m. Prizes for best costumes and dance moves will be awarded! Specialty drinks include Disco Inferno, Funky Town, The Hustle. There is no charge to attend this event and the small plates menu will be available. Many thanks to Linda Ritchie and Ramsey Johannsen for stepping up to chair all of our 2019 Lounge Nights. Can you dig it? Be there or be square!

To cap off the month, our very own Aged to Perfection, featuring Michael Bryant and Tim Whelan will be performing the Best of the Eagles April 27 from 7-10 p.m. This is a free event and food and beverage will be available for purchase. This coincides with JEC Parents Night Out, so contact Lori Curtin (lori@marinadiamondandwatch.com) for childcare by April 20!
