## Great Events

Our 2019 Newport to Ensenada send-off party was a blast! After not hosting the party for several years, NOSA requested we take it over again. Thanks to Staff Commodore Mary Bacon, Junior Staff Commodore Jerry Shandera and Rear Commodore Rhonda Tolar and their teams, the event was a great success. We made many changes from the past parties and both members and racing teams had a great time and look forward to coming again next year.

This year, Lauri and I were invited to all the opening days from Santa Barbara to San Diego. With our many duties at BCYC, we could only get to a few of these events. Observing the differences in other clubs, such as location, membership size, etc., we all share a special camaraderie! Members love their clubs, love boating in both power and sail boats, and love the outdoor life and the sea.

Newport Harbor and San Diego Yacht Clubs have large memberships, large boats and great clubhouses. We had a wonderful time at their opening days. Alamitos Bay Yacht Club is mostly made up of smaller sail boaters and a small club staff. I was lucky enough to be commodore of ABYC 25 years ago. Just like in 1994, they still run first-class races, from the Twilight Series to world championships and Olympic trials. I love BCYC, and I am always proud to tell others about BCYC and our many activities, special friends, beautiful clubhouse and wonderful staff.

At our Closing Night party, we honored 30 committee chairs and fleet officers, who keep our club cruises, races, junior program, parties and activities humming. Opening Day was amazing! Every boat in our marina was decorated with flags. Each dock knocked it out of the park with decorations, food, beverages and the friendliest smiles. Thanks to all of our members for one of my greatest days at BCYC!

As June arrives, Lauri and I will be cruising through the Greek islands and Italy for the Commodore's Cruise with some of our fellow members. We are so excited and look forward to sharing the adventure with some of our BCYC family. We might miss the club (a little bit), but will bring home stories of our adventures.

*~ See you on the water!*

### Busy Times

The Newport to Ensenada pre-race party was a great success! We brought back this event to BCYC with a new plan, focusing on the skippers, crew, race committee, dignitaries and our members. Staff Commodore Mary Bacon, Junior Staff Commodore Jerry Shandera and I put together a security plan to make this a really great and fun event. Thanks to the 20-plus BCYC members who joined the security team to make this a very successful evening!

Las Commodoras Poker Run and Cuatro de Mayo after-party was another huge success. It was very well attended, with more than 90 members enjoying the Mexican-themed dinner party. We had a margarita bar and our fabulous Mexican buffet. Member won lots of great raffle baskets and Chandra Reese provided the entertainment. It was a great day.

The Junior Staff Commodore cruise takes us to Lake Arrowhead August 15-18. This cruise is a land and lake cruise. Friday night there will be a cocktail party at Lake Arrowhead Yacht Club. We will have some different options for a day on the lake with a dinner party on Saturday night hosted by the Noahs, Tormey/McKinlay and me. If you have not already booked your reservations, it's not too late! Put together your friends and find a home to rent, stay at a bed and breakfast, or Lake Arrowhead Resort and Spa. Come join this cruise – it's going to be a fun weekend!

By popular demand, pop-up Signature Dining is returning. See the Food and Beverage article in this issue of *The Masthead* for more details. Make a reservation and bring your friends and family to enjoy these special dining nights.

### It Doesn't get any Better!

Closing Night, followed by Opening Day, celebrated the start of boating season. Then best of all, was a spectacular Mother's Day brunch. This was a great weekend at BCYC.

June 16 brings our Father's Day Brunch. This year, again we will present the BCYC Art Show featuring exhibits from our members. A special highlight will be BCYC kids drawing portraits of their dad. The final piece to this day, and always spectacular, will be the Car Show. Cars, boats, trucks, motorcycles and project vehicles will greet you when you arrive for brunch. Make plans to spend the day at the club, enjoying all displays AND brunch.

Come July, it's our famous Fourth of July Chili cook-off. Hot, cold, with meat, beans, red and white chilis – who knows which one will win! And, be sure to practice your favorite song and the come wow your fellow members for Karaoke Lounge Night July 6.

Join us in planning these fun events. The Activities Committee meeting is held the second Wednesday of each month starting at 7 p.m. Sea ya there!

*New Meet the Old*

New and seasoned BCYC members enjoyed Sunday Night Supper last month. Thanks to Membership Chair Teri Leigh for organizing an evening where new members conversed and learned more about BCYC from current members. Watch for more opportunities to welcome new members to our club.

Signature Dining is returning one night a month as pop-up Signature Dinners. Enjoy a Chef's Special or order from the Columbia Room menu as you dine in nautical elegance in the fireside lounge. Pop-up dinners are scheduled for June 7, July 5, Aug. 16 and Sept. 6. Chef Special entrees will be announced as dinner dates approach. Dinner will be served from 6-9 p.m. and reservations will be required.

Special membership events require a significant amount of time and effort, including planning and preparing food items. Members are reminded that no additional food items, other than those planned and offered by those organizing the event, will be served to attendees. Thank you in advance for respecting this policy and supporting BCYC regulations.

Join us at Sunday Night Suppers as we begin traveling across America and enjoying dinners representing various areas or cities across the country. In June, we will travel to New Orleans, the plains states (Iowa, Nebraska and the Dakotas) and the Southwest (Arizona and New Mexico). Food items being served will be announced in the BCYC weekly update.

Bill Long and the Food and Beverage Committee are planning a fabulous Chowdah House Dinner on Saturday, July 13, with fresh Maine lobster, clam chowder, corn on the cob, baked potato, garlic bread and his famous Boston Crème Pie. Watch for more information on this splendid dinner in the BCYC weekly update.

*Visiting the US Sailing Center*

While visiting New England over my spring break, I got the chance to go to the US Sailing Center. The center had just been renovated and moved to a very nice facility on the beautiful Roger Williams University campus. It has group meeting areas, an open plan office area with cubicles, personal offices and many friendly faces. I got the chance to meet Andi Barton, past junior commodore, like me, at BCYC, at the same time that our club had our first woman commodore, Carolyn Hardy, in 1993. She also knew my high school coach, Nate Dunham, as they had grown up sailing together. Also, I met Betsy Alison, one of the adult directors who, I learned, sails Shields with my cousin. This shows just how tightly knit the sailing community is. I am so privileged to be growing up in such a welcoming and close fellowship.

*Summertime Fun*

Opening Day was a blast! The Kids Zone buzzed with activity and the kids loved jumping in the bounce house, playing in the pool and crafting it up on the patio. Special thanks to Kaiya Bertrand and Alyssa Fries for supervising the kids while parents enjoyed the festivities on the docks. We couldn't think of a better way to bring in the summer season at BCYC.

As we head into June, the Junior Events Committee will collaborate with the Junior Sailing Program on various events throughout the summer. Be sure to check the BCYC calendar for the Sunday Funday potluck pool parties in July.

If you have any suggestions, or if you would like to be added to our email list, please contact Lori Curtin at lori@marinadiamondandwatch.com.

**DID YOU KNOW ?**

**Important Stuff**

**Did you know** that Taco Tuesdays have begun? The Columbia Room opens at 4 p.m. with the Monster Mexican buffet starting at 5 p.m.

**Did you know** that if you decide to bring a pre-approved dessert to the club for your event, there is a serving charge per person? Discuss this with the BCYC Food and Beverage staff.

*Cuatro de Mayo*

A wonderful day in Newport Harbor supporting the Leukemia & Lymphoma Society was had by all at our annual Poker Run. Bobbi Silvey chaired the event with much help and backing from the Las Commodoras board and our club members. Thank you all for your generous assistance in hosting this most important event for LLS. Leslie Kazarian arranged five docks: La Familia, hosted by the Curtins, Granberys and Hangers on the Wells dock; Staff Commodores, hosted by the Ayloushs; Sex on the Beach, hosted by the Sopkins; and the Heitmans dock (no party, but still fun), hosted by the Bitettos. The winning dock was Sex on the Beach and the winning hand and winner of \$100, was held by Alan and Terry Schneider.

Opening Day was absolutely great. The Las Commodoras Board of Directors served as official greeters. We loved honoring our special guests and members, and especially our Camp Pendleton Marines.

Our ever-popular Progressive Luncheon, June 20, is reserved for members only. Make plans to enjoy this celebrated event at the homes of Janet and John Wells, Macara and Samir Bonja, and Mary Ellen Bowman.

Before the Calm*

In case you hadn't noticed, 2019 started off with a series of storms with strong winds that dumped gallons of water on us, and also caused us to postpone a few of our races to a later date. So, the month of June is where we play catch up.

On June 1, we will run the last Angelman Series race. This make-up race will be different because we are using random marks set in the ocean to come as close to true windward/leeward racing as possible.

June 2, Harbor 20s will race in the first of three exciting Leukemia Cup Regattas. The remainder of the Leukemia Cup Regatta will run Aug. 9-11 for a fleet of Farr 40s and Aug. 11 for PHRF. We plan on using a drone to capture the excitement of racing and to show the videos at the dinner/party Aug. 10. Members are encouraged to attend.

On June 15, we will run the first race of our new Around The Oil Islands Series. This 25-mile circular course is perfect for experienced and novice sailors. And, just in case the winds don't cooperate, there is an option for Race Committee to "shorten course" at the mid-point of the race. We will also have an award for the all-female crew with the best corrected time. A BCYC crew could win this one!

June is also the first full month of Taco Tuesdays. For newcomers and old-timers, our evening series (May 14 thru Aug. 27) is 16 straight weeks of fun!

**Cruising****Lauri Moffett***laurimoffett@gmail.com***Ronda Rolnicki***fourrrol@aol.com**It's Cruising  
Season*

Hello cruisers and welcome to cruising season! There certainly is a lot of excitement in the air as we are in the midst of planning our upcoming cruises. Next up, and the highlight of the year, is Clambake July 25-28. Get ready, as we are going on a Clambake Safari! We will again utilize the Del Rey Yacht Club facility (aka Gilligan's Island) located in Cat Harbor. Sign-ups for this cruise have already begun, so get signed up now. This is a great family event with activities for all ages. Gather the kids and grandma, for the much-anticipated Clambake Safari!

We are also in the planning stages of the Junior Staff Commodore cruise to beautiful Lake Arrowhead Aug. 15-18. We will enjoy a cocktail party at the Lake Arrowhead Yacht Club and have some fun water activities on the lake. There is such a variety of things to do in this area, including boating, hiking and simply enjoying the views of the lake and the fresh mountain air. Sign-ups for this cruise will begin soon, but you might want to reserve a room at the Lake Arrowhead Resort and Spa now. This hotel is located in the village on the water, and has beautiful views of the lake. It is walking distance to the yacht club, shops and restaurants. More details will follow in the near future.

Do you have any great ideas for cruises? If so, come share them with us on the first Wednesday of the month at 7:15 pm. See you there!

**Vice Commodore  
Ginny Lombardi***ginnylombardi@yahoo.com**June Gloom?*

Is there such a thing as June Gloom at BCYC? No way! Look at our calendar for proof.

The long-anticipated Commodore's Cruise is underway and throughout the month there are races inside and outside of the harbor. Join the fun.

Taco Tuesday is in full swing. If you have not attended the Monster Mexican buffet, get to BCYC at 5 p.m. on any

Tuesday (through Aug. 27) and enjoy a great variety of taste-bud-tantalizing Mexican food. The Columbia Room opens at 4 p.m. Arrive early and miss the rush of racers coming in or stick around and be part of the festivities.

Camp Corinthian kicks off this month with a parent orientation June 7 and barbecue June 21. The program, with almost 100 kids, starts June 24. This Junior Sailing Program is considered one of the best on the West Coast.

Races throughout the month include the Predicted Log Race, Leukemia Cup Junior Regatta and Harbor 20s, and Around the Oil Islands. But that's not all, folks. Take a look at all of the land-based events. If you cannot find several activities you are interested in then maybe your June will be gloomy – don't let that happen.

See you at the club!

### Ongoing Upgrades

The House Committee continues to move forward with enhancements at BCYC. With a few items to finish, the upgrade of the second floor women's restroom is almost complete. The new granite countertop looks terrific. New shelves have been added to the restroom stalls to place items on rather than leaving them on the floor. There will be a short interruption of use while the new, thicker bathroom doors are installed in the near future to improve the sound proofing. Up next is the men's restroom on this floor.

Our ladies on the committee have requested that artwork be added on the walls, so please attend the June 19 House Committee meeting to help select appropriate artwork to brighten our walls. Our in-house photography expert, Director Jeff Granbery, will be providing samples for the committee to review. Additionally, if members would like to lend the club nautical paintings or artwork for a six- to 12-month term, we believe these items would help to bring out the marine aspect of a yacht club.

The House Committee meetings are open to all members. We welcome the fresh perspective provided by new committee members as we continue to enhance BCYC.
