*Enjoy and
Join the Fun*

Yacht club activities continue to ramp up after a wonderful holiday season. The lights on our club and boats are down and our engines and sails have come to life again. Super Bowl parties are done and some of our biggest club events have happened or are in the planning stages.

Once again, we hosted 225 ladies during the Women's Sailing Convention. Conditions were less than perfect, with heavy rain and wind at 25-40 knots. At 8 a.m. I welcomed organizers, instructors and participants. Many were surprised to see me in my blue blazer and shorts, opening the front door and greeting each person. Believe me, the pleasure was all mine. Everyone came prepared for the day with big smiles and anticipation. That evening, when they were leaving, many expressed their thanks for our hospitality, facilities and helpful members and staff.

The Commodore's Ball was another fantastic event! Pre-parties kicked off the evening at the homes of the Fortmullers, Maddens and Tolars. We owe special thanks

to these members and their co-hosts: Delaneys, Fishers, Konapelskys, Rapps, Rolnickis, Sachs, Winnett and Werts. The flag officers and partners were privileged to travel by a limo-bus to each home, where we toasted the evening and had the opportunity to say hello to each guest. With family and friends, we enjoyed a great dinner prepared by Chef Georges Rapicault and his staff. Thanks to Staff Commodores Levy and Wert for their introductions and program. The ball celebrates not only the current commodore, but all past commodores as well. I am honored to have the privilege of being in such great company.

Ball co-chairs Susan Barden, Kari Konapelsky and Lauri Moffett (and their team of helpers) had the event planned from beginning to end. Thank you all for an unforgettable evening.

Showboat is coming and as commodore, I get to be in the show! This is another position I share with this year's cast and almost every past commodore. Practices began in January and will continue until showtime, March 27-30. Make your reservations early, as we anticipate a sold-out show.

I look forward to the many months ahead and the challenges our current board, chair-persons and staff will face. For the first time in recent years, we will again host the Newport to Ensenada Race send-off party April 25. If you want to help or just come to the party, please put it on your calendar. See you on the water or at the club.

Welcome New Members

Everyone, please reach out and welcome our new members. The BCYC family is growing and we are excited to start the new year with four new Regular Flag members. BCYC is the place to be!

We had a successful January Open House, showing off our wonderful facility to several prospective members. Thanks to all the current members who supported this event by giving tours and answering questions. Every club committee was represented, providing for a fun and educational afternoon.

The Membership Committee will hold monthly meetings. The first two will be March 14 and April 11 at 6 p.m. Come learn about membership – ask questions and get answers. Be part of the membership growth at BCYC.

Be Prepared!

Spring is in the air! Along with spring comes more time on the water and more water-based activities. The Desert Land Cruise is ongoing as you read this. Next on the club's calendar for March is the Weiss Race Series #1, Angelman Race #2 and the Bogart Race. Junior spring sailing begins on March 15, with a Junior Parent Mixer that night.

Early April takes us on the Shoreline Yacht Club cruise, an easy drive up the coast from BCYC; fill your car (or boat) with friends and have a nice weekend away. We also host the Weiss Race Series #2 on the first Sunday of April.

The Sailing Convention for Woman, hosted by BCYC Feb. 2, saw 225 women learning about boating, from navigation to understanding marine weather forecasts. During the storm that day, with strong winds and waves in our marina, I was reminded how we take care of each other. Members, staff, management and guests took care of our boats and marina. A cleat pulled out boards from a dock and was immediately replaced and the boat secured; lines frayed and were in danger of breaking; people took extra lines from their boats when needed; canvas covers were tied down; numerous lines retied.

BCYC had 10 guest boats in the marina for the convention that day – no one stayed away because of the nasty weather forecasted. However, because of the severity of the storm, none of the on-the-water classes took place, but I did not hear any complaints from participants. They were grateful for the experience of being safely educated and seeing how awesome and powerful Mother Nature can be.

Be prepared: at home, on the road and on the water; safety first for you, your family and pets, and the people around you. Start now so you will be ready for summer boating season.

*N2E, Opening Day,
JSC Cruise*

As rear commodore, I attend all land-based committee meetings. These committees are busy planning exciting club events for this year! I want to give a big thank you to all the wonderful committee members for their dedication and the hard work they put in for our club and members.

There are a couple of upcoming projects. First, the Newport to Ensenada send-off party is April 25, 6-9 p.m. This event, unlike in the past, will be limited to boat owners, crew, spouses and race dignitaries, as well as all BCYC members. This event is not open to the public. If you have any questions, please feel free to reach out to me.

Secondly, Opening Day this year is May 11 starting at 2 p.m. This is one of our club's most fabulous and fun events of the year! New members, you do not want to miss this day! All members are welcome to sign up to be on a team or help host a dock party. It is not too late to reach out to me and I can get you on a team! Also feel free to contact me regarding questions about the dock parties.

This year, I will be chairing the Junior Staff Commodore cruise, Aug. 15-18. This will be a land- and water-based cruise to Lake Arrowhead. Many members have already begun to book cabins. There are a variety of accommodations, from resorts to cabins, and great bed and breakfast hotels. We will be going as a group to Lake Arrowhead Yacht Club while on the cruise, as well as booking rental boats on Lake Arrowhead. Lastly, I will be hosting a group cocktail party and dinner for all members in attendance at a home I rented. More details will come later. Save the date and book your place to stay. This is going to be a very fun cruise for our members!

DID YOU KNOW ?

Important Stuff

Did you know that members are not allowed into staff areas, including behind the bar? Our insurance coverage precludes members from being in these areas.

Did you know that the gate code has changed for the marina and dry storage areas? Please contact the BCYC club office if you need the new code and notify any of your vendors who will be impacted by this change.

SNS for Everyone

This January we brought in the new year, with Sunday Night Suppers featuring an excellent steak and lobster dinner! This has been a favorite of members with excellent attendance each week!

Due to this success, we featured surf and turf options each week in February. The meal included a petit steak filet as well as a different choice of seafood each week, plus a salad bar, bread and for dessert, ice cream and a cookie.

March Sunday Night Suppers will feature Irish favorites in honor of St. Patrick's Day! Each week will showcase a new Irish dish. On March 17, we will have a unique SNS experience with the help of activities chairs Mark Arizmendi, Susan Barden and Cleve Sproule. The lounge will be rearranged to have small tables, Irish appetizers, and pub games! No reservations will be required for this special evening.

Each Sunday, the lounge is decked out in beautiful nautical flair. Due to limited availability, it is always helpful to make reservations. We encourage all members to invite friends and family to attend.

The Food and Beverage Committee meets monthly on the third Wednesday at 6 p.m. and all members are welcome to attend. General Manager Scott Jones attends and this is a great opportunity to discuss your thoughts regarding food and beverage at BCYC.

Cinco de Marzo

By the time you read this, Cinco de Marzo will only be a faint blur in our memories. . .but hope springs eternal, because St. Patrick's Day is March 17. Green cerveza, anybody?

Of course, March is also the month when one of BCYC's longest-running race series will again take place (March 23-24). We particularly like this race because we get to spend the night in a faraway, exotic locale...Avalon. And we get to let our hair down – those of us who still have hair. And we get to tell tall tales about the "crossing," all easily believed since nobody was around to take pictures. Finally, for those who absolutely, positively have to be ashore before dark, we allow motor use, with the obvious impact on corrected time. So, if you want to sail hard and party harder, sign up for the **Bogart Series** today.

March is also the start of the **Lorin Weiss Series**. Another long-running favorite, this time racing inside the harbor with a large fleet of Harbor 20s. Unlike ocean racing, short distance windward/leeward legs mean tight competition and close-in "discussions" about right-of-way at a mark. These races are really exciting to watch and even better when you participate.

Although we are still a few months away from the start of **Taco Tuesdays**, consider using the Skipper/Crew forum to find a boat or crew for the 16-week series. The forum works – go to the Racing tab on the BCYC website.

Race Committee is always looking for a few good people. Contact us now!

*Busy Life and
Sailing*

For being in high school, I live a pretty busy life. I am in multiple clubs at Corona del Mar High School, including PAL, a leadership group devoted to making everyone on campus feel heard and included, and pledging to be drug- and alcohol-free throughout our time in high school. In addition, I am on the journalism staff for our newspaper, *Trident*, and I also participate in Assistance League, a charity organization, where I volunteer at our thrift shop and with many different organizations, such as Girls, Inc.

Being a junior in high school puts enormous stress on most members of my class as we strive for success in our rigorous academic classes. Luckily for me, I have an escape: sailing. Three times a week, at least, I have the opportunity to be out on the water with my fellow CdM classmates and friends. Something about having the wind fill my sails blows all my troubles away. Something about the salty spray washes the stress from my mind. Something about being in the CFJ at practice gives me a new outlook on my worries. Having this release of sailing throughout my life, from being a Starfish in the BCYC program through today, representing my high school and club around the state and country, has been a major influence in who I am today.

SHIP'S STORE

Have you checked out the new items at the Ship's Store? We just received BCYC wine carriers, burgee cufflinks in silver and gold, women's fleece vests, and Reyn Spooner shirts for men. New BCYC "bling" fashion bags will be in this month. If you'd like to see a particular item in the store, please contact me.

Passion for Fashion

The Las Commodoras Fashion Show, *Passion for Fashion*, was a huge success, with more than 100 attendees. We had many vendors highlighting their merchandise, from jewelry to handbags, hats and fine clothing, all to the delight of our BCYC shoppers. Our beautiful models – Kathy Arnold, Mary Lou Buck, Rebecca Corbin, Lori Curtin, Mary Forester, Allison Foster, Page Kenyon and Teri Leigh – did a lovely job of presenting fashions from local boutiques. The Marine wives were thrilled to be treated to a gourmet lunch by Chef Georges Rapicault and went home with a complimentary gift bag.

Thanks to the Las Commodoras board, especially Nancy Bryant, Barbara Eden, Cathy Miller and Sally Sopkin for organizing the vendors, models and decorations. Kudos to Sally Sopkin and Dick Stone for arranging for the Marine wives, and not to be left out, thanks to Bob Kafka for providing the lovely piano arrangements.

Our March 21 Las Commodoras luncheon will feature floral arranging, where the ladies will participate in making their own spring succulent arrangement. Not to be missed is the ever-popular Dog Show, April 13. So, start grooming and training your "children" to be among the shining stars of the show.

*Opening Day
Marina Reservations*

On March 30 (noon), BCYC members may begin reserving a spot for their boats in the marina for Opening Day. You need to come to the club and meet with Catherine Maffett, waterfront manager, to complete and sign an Opening Day marina agreement document. If you have any questions, contact Catherine by email or phone (catm@bcyc.org or 949-644-9530 ext. 22).

Bringing Family Fun to BCYC!

The Junior Events Committee (JEC) participated in BCYC's annual Open House in January. It was so fun to meet potential new members and share our club with them.

We jumped into February with the Super Bowl Kid's Zone Party, offering crafts, snacks and movies. Special thanks to Kaiya Bertrand for watching the children in the Junior Room, while the parents cheered on their favorite teams upstairs!

Our next event is ladies' Spa Day on Saturday, March 16, featuring a 45-minute yoga class, mini facials, shopping and mimosas. Relax with us, invite a friend and come meet fellow members.

Super Bowl Kid's Zone Party

Luv is my "New Fav Thing"

The Valentine's Day Dinner was full of Luv, friends and good food. This is the "stuff" life, family and BCYC is made of. A special thanks to Lori Curtin and Teri Leigh for helping bring Luv to the club.

March 17 is St. Patrick's Day. EB Barden and Teri Leigh will make sure it will be fun, messy and green. Did you know potato peeling was a boating skill, like tying knots? Show us your peeling skills at 2 p.m.

Ramsey Johansson and Linda Ritchie are chairing Disco Lounge Night, April 12. Everyone needs to come to "Studio BCYC" to dance the night away. April 21 brings that special Easter Brunch to the club. Plan to get your picture taken with the one and only BCYC bunny.

May 12 is the Mother's Day Brunch – make a reservation to see what we dreamed up for that special day.

Join us for our monthly Activities Committee meeting held the second Wednesday of the month at 7 p.m. Help put together these great events. We'll see you there!

*Cruising by Land
 and Sea*

Hello Cruisers! The land cruise, March 1-3, to Palm Desert was a **sold-out** affair thanks to the efforts of EB Barden and Paul Secard. Many thanks to Frank and Mary Ann Xavier, and Kelly and Heidi York for opening their beautiful homes to our crew. Since you are reading this article while the cruisers are in the desert, pictures of the fun will soon be up in the Flickr gallery on the club website.

Next up is the much-anticipated and very exciting cruise to Shoreline Yacht Club, April 5-7. Things presently planned are a group dinner at Q Smokehouse and SYC, both with live music, a tour of the Queen Mary and/or Aquarium of the Pacific (TBD), and much more. If you don't have a boat, no problem, as it is an easy drive to Long Beach. **Hurry and sign up as this cruise will surely sell out.** Sign-up begins March 9. For more information, contact Ronda Rolnicki (*fourrrol@aol.com*). This will be a fantastic cruise and we hope to see you all there! Details concerning the May cruise to Del Rey Yacht Club will be revealed in the April issue of *The Masthead*.

BCYC Historian – Position Available Now

A BCYC member or team, new or long-timer, young or seasoned, who loves taking pictures and helping to create memories would be a perfect fit for BCYC historian. While this is a volunteer position, the great benefit is getting to meet new friends while making a very significant contribution to BCYC. Everyone at the club **loves** to have their picture taken, so it is a lot of fun being the photographer!

Position requirement: must attend all major club events and be able to edit and send photos for use in *The Masthead*. Event photos will also be posted on the club Flickr space. Orientation and training will be provided. Send an email indicating your interest to Junior Staff Commodore Jerry Shandera (*bulkmaterialsystems7@gmail.com*).
