

# The BAHIA CORINTHIAN YACHT CLUB Masthead

Issue 10/10 - Volume 162

December 2020

**Commodore  
Ginny Lombardi**

[ginnylombardi@yahoo.com](mailto:ginnylombardi@yahoo.com)

## 2020

It is difficult to believe this is my last article for *The Masthead*. January and February began as any other year, then March and April slowed to a crawl with COVID-19 taking center stage in our lives. As we settled into the routine of the limitations the virus caused, time resumed its new-normal pace. And throughout every change and hurdle put in front of us, BCYC adjusted and made the best of the situation.

The only way that was possible was because the staff was creative and willing to try new menus and procedures, and members supported each effort the club made to stay viable. Committees stayed engaged and everyone learned to Zoom whether we wanted to or not! Thank you just does not capture my appreciation for each of you. You made this year successful for BCYC.

During this holiday season, embrace what we have with

family and friends. Gatherings may look different, but the true spirit of the season is more important than ever. Those are cliched sayings, but they have become cliched for a reason – they are true.

Merci, vielen dank, arigato gozaimasu, gamsahabnida, gratias tibi, gracias, tack, cam on ban.

It has been an honor and a privilege serving as your commodore this year.

Thank you.

*Thanks for the Memories*

This will be my last article for membership, as someone new will assume my position next year. I did want to mention a few things that happened along the way this year. First, I would like to thank Dan Boaz for all his help on the committee this year. He is a great guy and fun to work with. Thanks to my wonderful wife, Ronda, for helping arrange the interviews and set up those zoom meetings. Her help was invaluable. In addition, thanks to all the seasoned members of the club who assisted me in all of our new member committee meetings.

Welcome to our newest members: Ruth and Nicolas Clemence; Debbi Bodewin and William Wolfe; Salma Bushala-Hamud and Harold Hamud; Angelina and Dennis Maloy; Dr. Samuel Mayhugh; Jen Pfeiffer-Morris; and Denise and Robert Raymond.

Ruth and Nicolas have lived in Newport Beach for more than 35 years and they own European Collectibles in Costa Mesa. They are also the owners of a Tiara and hope to acquire a slip at the club.

Debbi and William are also residents of Newport Beach and run a technology firm in Riverside. They are in the process of purchasing a boat, hoping to bring it into the club marina.

Salma and Harold own an industrial rigging company and are looking forward to participating in club events and meeting new people and making friends.

Angelina and Dennis both worked at Hughes Aircraft/Raytheon before retiring. Angelina now runs a small business and Dennis is a graduate gemologist. They are looking to have fun at the club and make new friends.

Dr. Mayhugh has been a sailor for more than 50 years and is no stranger to BCYC. His two sons, Brian and Andrew, are already BCYC members.

Jen grew up in San Francisco where she raced Lasers and FJs. She met her husband while racing on *Flaquita* during Long Point Race Week and started racing on *Amante* in the Taco Tuesday races in 2015. She has been active on the BCYC Race Committee and will be handling awards and trophies at the club in 2016.

Denise and Robert are no strangers to BCYC as Denise was employed here about eight years ago when not working at her full-time job as a flight attendant. Denise so enjoyed BCYC that she wanted to introduce Robert to all that BCYC has to offer.

Most importantly, I would like to thank all of our new members who joined BCYC this year and for letting me get to know you. I have interacted with all of you and can honestly say you are a wonderful group of people and a real asset to BCYC. Now that I have gotten to know you, please get involved with some of the activities and/or committees at BCYC and help others get to know you, too. Your experience at the club will be greatly enriched and I promise that you will build lifelong friendships. Happy Holidays to all, stay safe and here is to a great 2021.

**DID YOU KNOW ?**

**Important Stuff**

**Did you know** that it is mandatory that member boats in the marina fly the club burgee and that the burgee must be in good condition? Visit the club office to get a new, replacement burgee.

**Did you know** that we have limited seating capacity? When you are unable to arrive for dining at the time of your reservation and do not contact the club to cancel, you most likely have prevented another member from using the club. When your plans change, please let us know that you need give up your reserved table.

**Did you know** that that no member or guest may bring food or alcoholic beverages into the clubhouse? All food and beverage consumed in the clubhouse must be purchased from the club, except for desserts and bottles of wine. A dessert fee per guest and a corkage fee per 750 ml bottle of wine will be charged. The mid-patio, Compass Rose area and Columbia Room patio are considered to be within the clubhouse for purposes of this rule.

*Cruising Finale*

In October, 18 boats traveled to beautiful Avalon and what a great time we all had on the cruise!

We started the weekend off by holding a poker run to benefit Dick Stone's campaign to bring the Marines home for the holidays. All went from boat to boat via dinghy picking up a playing card and a snack and/or a libation along the way. At the last boat, anyone who wanted could buy an additional card. In the end, we had a winner, Larry Furiani, with three aces. We were able to send \$410 to the Special Forces Home for Christmas Fund. Getting in the spirit, a non-member just passing by in a dinghy stopped and donated. Thanks to all for contributing to this special cause! Also, thank you to Treasurer Gary and Peggy Granbery, Junior Staff Commodore Steve and Lauri Moffett, and Vice Commodore Rhonda Tolar for volunteering to be card boat stops.

We began our Saturday with mimosas, Bloody Marys and danish off the back of the *Rondavous*, always a good way to start the day. Afterwards, we were off to play miniature golf for the annual Avalon Cruise miniature golf tournament. Of course, when you have a tournament there must be a winner and with a low score of 47, our 2020 winner was Bobby Hanger. Way to go, Bobby!

We ended our cruise Saturday evening with an entertaining dinghy raft-up/concert off the back of *Wild Thing*, featuring BCYC's favorite guitar playing man, Tim Whelan. We enjoyed charcuterie provided by Mary Kaye Whelan, which was very yummy and of course, the music was simply grand. We listened, sang along and enjoyed the beautiful Avalon setting. This was such a fun part of the cruise and, in my opinion, one of the best events of this year. Thank you, Tim, for sharing your talents and providing us with a beautiful ending to the final cruise in 2020.

*Celebrating the  
Holidays With Family*

The Activities Committee hopes that everyone had a great Thanksgiving with your family. Holidays are for family and we are coming up on one of the year's biggest family gatherings, Christmas! I wish all a happy and safe Christmas and Hanukkah.

The club has been decorated for the holiday season, albeit somewhat less than usual. Thanks to our awesome BCYC members for volunteering in helping create this magic. Bring your entire family to Santa's Brunch Sunday, Dec. 13, from 10 a.m.-1 p.m. Please make reservations for this Christmas event, during which, we will follow socially distancing guidelines when the children speak with Santa.

The Activities Committee appreciates our members participating in the events we were able to hold in this difficult year. BCYC is the definition of family and our club has taken care of us with love and respect. We will keep you informed of changes to event time and location given the COVID-19 situation.

If you would like to become a member of the Activities Committee in 2021, contact Artesha Harvey via email at bcycactivities@gmail.com. Our meetings are scheduled every second Wednesday of the month at 7 p.m.

*Junior Board  
Activities*

The junior board has been working extremely hard during these difficult times. Due to COVID-19 restrictions, we will **not** be able to host the bake sale during Santa's Holiday Brunch, Dec. 13. This would have been a great time to get away from all the craziness and a perfect opportunity to get a few sweet treats and bid on raffle baskets and gift items. We will plan another event when regulations allow and, as always, proceeds will benefit the BCYC Junior Program.

*Christmas at BCYC*

Christmas is a time of celebration with family. We are all fortunate to be members of the BCYC family, where we can celebrate the holidays in so many ways. The BCYC December calendar is filled with opportunities to join in and enjoy the fabulous dining choices BCYC has to offer. Reservations are required for all activities. Santa's visit and the holiday brunch, prepared specially by Chef Georges Rapiacault and his culinary team, are scheduled for Dec. 13. Social distancing will be in effect and staff will be following the guidelines established by the Orange County Health Department.

The club will continue to offer outdoor seating for your dining pleasure. Remember that reservations are required.

We are still unsure as to when Sunday Night Suppers will resume. Watch for email blasts that provide updates.

We wish each of you a safe and glorious holiday season with your friends and family – both at home and at BCYC.

Our next event will be Poker Night on Jan. 29. These have been highly successful over the years and we are super excited to beat the seniors! While playing five-card draw, this evening is also a great way for the juniors to make meaningful and strong connections with seniors at the club. It provides the chance to collaborate and get feedback from more experienced members. If you are interested in participating, make sure to save your spot when reservations open – available spaces fill up quickly. I hope everyone is staying safe and healthy.

*Toy Drive and  
Wine Tasting*

The Toy Drive for the Camp Pendleton Marine kiddos is on NOW. Kickoff on Nov. 5 was well-received. Please bring an unwrapped NEW toy, sporting equipment (for the older boys and girls), bicycles or cash to BCYC. The club office will accept your donation of cash or charge to your BCYC account. We will be glad to do your shopping for you! What a great deal, right? You have through Dec. 10 to contribute and help brighten the life of a Marine family at Camp Pendleton. Thank you for your wonderful generosity.

Our wine tasting event was really great. The wines were from Orange Coast Winery, thereby supporting a local merchant. The cheese plates and food were amazing – thank you, Chef Georges Rapicault. We wanted to encourage our ladies to bring their spouses, friends and families to our events. We are not always “ladies who lunch.” Many stayed and had dinner at the club. What a relaxing evening.

Please join us for our Holiday luncheon on Dec. 10, which will most likely be held outside. With both live and silent auction items, this is a great chance to get your holiday gifts. There will be fabulous food, entertainment, and a guest speaker as well. I hope to see you there. You will not want to miss this one.

Thank you for all your support this crazy year. The events we were able to have were wonderfully attended. Look for our new trophy, donated by Staff Commodore Ted and Connie O'Connor, for our BCYC doggies. It is now in the trophy case to be awarded at our Dog Show every year.

Have a merry holiday season, and may 2021 be sunny and bright.

*'Tis The SEASON*

In case you hadn't noticed, the first three letters of the word season are S-E-A...an obvious reference to the ocean we all enjoy.

Living in Southern California, we get to enjoy a year-round boating season and, for those who like a little friendly competition, year-round racing...like the Hot Rum Series.

In addition to the racing, the partying and the gift-giving during the month of December, it's also time to consider what you will do in 2021 to make it better than 2020. Here are a few thoughts:

**WEAR A MASK** – Make mask-wearing an extension of your daily outfit. Just as some men wear unique neckties to enhance their appearance, wear unique masks that let you shout out “I Care” while looking good.

**GET YOUR SAFE BOATER CARD** – As of January 2021, operators of motorized vessels who are aged 40 and younger need to get this card. Even if you are older than 40, or you don't own a boat, it would be a good idea to study and get the card now. As a yacht club member, you really should know the basic Rules of Navigation.

**CREW ON A CLUB BOAT** – Regardless of your age or ability, make a decision to crew on Ventus or Ruthless. It's fun and it's easy.

**JOIN RACE COMMITTEE** – Also regardless of your age or ability, make a decision to join Race Committee. Help us run the best races in Newport Beach.

And finally, **BE HAPPY** – a smile is the best gift you can give anybody...and it's free!

Goodbye 2020,  
Hello 2021

The Junior Events Committee has been busy this fall. In late October, we held our annual Pumpkin Carving event on the Compass Rose. Outside and masked up, more than 50 members joined in as we listened to spooky music, enjoyed hot apple cider and cookies, and adorned our pumpkins with a variety of decorations. Congrats to our winners Jack Hardy, Camryn Homer and Kamdan Maloney for creating the most creative, scariest and funniest pumpkins. Special thanks to Food and Beverage Manager Bruce Fottrell, Bar Manager Shawncy Little and Chef Georges Rapicault for stepping in and judging more than 20 pumpkins! BCYC has many creative and talented members, truly a very pleasurable event for all!

Last month, we held our Ornament Decorating Party. Members and their families gathered and crafted ornaments to adorn the BCYC Family Tree. Holiday treats and hot cocoa were served. Many special memories are displayed on our family tree, so please check it out this holiday season.

As we look towards 2021, the JEC is grateful to find ways of enjoying “family fun” at BCYC during these uncertain times. We are so excited to roll out some new events in the coming year! If you have any suggestions for future events, please reach out to us. We would love to hear from you.

We wish everyone the most safe and happiest of holidays and look forward to seeing you in the new year.

**A Note from our Chaplain . . .**

“Christmas brings family and friends together. It helps us to appreciate the love in our lives that we often take for granted. May the true meaning of this holiday season fill our hearts and homes with many blessings!”
