## *Time Marches On*

I knew this year would pass quickly, but I still cannot believe it is March! In 2020, the club has already hosted Game Night, Super Bowl Party, Sailing Convention for Women, Las Commodoras fashion show, New Member Open House, a special Valentine's Day dinner, fishing tournament, the Commodore's Ball, plus all of the sailboat races! Thank you to the members who made all of the events successful and fun. They volunteer many hours of time making each event special.

Looking to March, the first cruise of the year will be the Desert Land Cruise, always a big success. Junior sailing begins and Las Commodoras will sponsor a tea luncheon featuring the O'Connor family tea service. Rumor has it that Staff Commodore

Ted O'Connor polishes the tea set each time before it is used. The month ends with our annual Showboat dinner theater featuring a cast of volunteers who sing, dance, act, as well as the crew who builds sets, sets up lighting, works behind the scenes with costumes, microphones and any emergencies that arise.

Member participation is the key to the success of every event at BCYC. It is one of the easiest ways to meet people and make friends. Participating on a committee and attending events is important. And sometimes, just hanging out at the club can be relaxing and rewarding.

This year, the Commodore's Ball took a leap with a new format. The pre-party was held at the club, followed by dinner and dancing, ending with an after-party upstairs in the newly renovated library. Thank you to the committee members and staff who made the evening a lovely and memorable night!

I am looking forward to the months ahead. I hope you will join me this leap year at club activities and events. Check the calendar and do not let time pass you by – there is so much to do.

*Getting to Know You*

On Jan. 23, the BCYC Board of Directors approved the Regular Flag membership application of Richard and Martha Mahoney and JFlag membership application of Jared and Ashley Davlin. We welcome our newest members to their new home! Be sure to say hi to Richard and Martha and Jared and Ashley when you see them.

All new members who joined in 2019, as well as all other club members, were invited to the first open house of the year Feb. 9, hosted by the Membership Committee. Event tables, manned by many committee chairs and co-chairs, acquainted new members (and old members too) with all the committees and activities available at the club. It was inspiring to see everyone who participated in this event, and it was such a success, that we are planning to have more of these in the future. The event allowed new and old members to meet and greet, helping educate each other as to what is happening at BCYC.

The Membership Committee is also planning to hold regular committee meetings (watch your BCYC email blasts for dates and times) in the near future and we would love for you to come and share your ideas and thoughts for membership – you are always welcome!

*Wonderful Women  
and Fabulous Fashions*

Our January luncheon was so inspiring with 14 past winners of the BCYC Woman of the Year award sharing their wonderful contributions and achievements. Lauri Moffitt presented her experiences with the club and the years supporting Steve Moffitt as he went through the flags to be commodore in 2019.

The “I Love Fashion” show and Marine appreciation luncheon was a world of fun. Who would not want a day of shopping from our many participating vendors selling clothing, jewelry, cosmetics and accessories? A delicious lunch from Chef Georges Rapicault and his culinary team was followed by beautiful fashions provided by Rachel’s on Balboa Island and Eva’s Trunk & Denim Bar in Costa Mesa. We hosted 25 Marines/Marine spouses at the luncheon. They look forward to the event each year. A big thank you to the members who sponsored the lunches for our guests. Thank you also to Lori Curtin, Teri Leigh and Sally Sopkin for all their hard work in chairing this event. The beautiful table decorations by Catherine Miller were amazing – loved the red and white ostrich feathers. Just WOW!

Be sure to attend our High Tea Luncheon March 19. Wear your hats, fascinators and gloves to this fun event. See you soon.

**DID YOU KNOW ? Important Stuff**

**Did you know** that house rule D4, page 7-5 in the roster, states **that no Member or guest may bring food or alcoholic beverages into the club house?** All food and beverages to be served or consumed in the clubhouse must be purchased from the club, with the exception of bottles of wine and desserts. A dessert fee per guest and a corkage fee per 750 ml bottle of wine will be charged. The middle patio and Compass Rose areas are considered to be within the clubhouse for purposes of this rule.

**Did you know** employee rule three, page 7-11 in the roster, states that no member or guest of a member shall criticize, demean or in any way harass employees of the club? If a problem does arise, the member shall direct the problem to the general manager, vice commodore or rear commodore.

*New Stuff*

Since the beginning of 2020, we've welcomed several new members onto our junior board. Many are very involved in high school sailing and in the BCYC Junior Program. It's been great to meet new people and hear fresh ideas for this coming year. Now, with our expanded board, we have the people to plan more fun events for the future.

Spring is almost here, and with the new season comes the afterschool Spring Sailing Program. The program starts March 13, and the junior board is aiming to host a pizza and ice cream social after the first afternoon of spring sailing. I love seeing all the younger sailors and bonding with them over our love for the sport of sailing and the club. I can't wait to meet all of the spring sailors soon!

*Improvements*

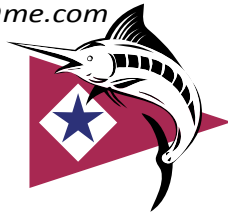

The House Committee continued to improve the look of our club. Make time to visit the library and see the terrific bookcases that have finally arrived. After our supplier from England decided to close their doors and retire, the committee scrambled and found another company in Pennsylvania that came through for us. We are finishing up painting and final touch-ups, and the books will be back on the shelves. The committee is now looking at types of classical leather furniture to create the ambiance in the library for members to relax and read a book from our expanding collection. Should you have contacts in the furniture industry please forward or bring them to our meeting on the third Wednesday of the month at 7 p.m.

We are still looking for classical nautical prints or paintings, as well as nautical accessories to add to the overall decor of the club. We welcome the donation of sailing books to expand the collection. Stay tuned as more improvements are coming. Special thanks to all the members who attend the House Committee meetings and direct their energy into making our club the nicest one in the harbor.

And the Winner Is...

BCYC will host four fishing tournaments this year. We want all members who are interested in fishing to get involved in these new events. There will be cash prizes for each tourney, and an angler of the year, calculated by total points earned from each event, will be named at the Annual Awards Banquet. A minimum of three of the four tournaments must be fished to win angler of the year. Junior anglers are encouraged to compete as well.

**Fishing tournament schedule:**

- Feb. 22: Sea Bass Tournament (white sea bass, sand bass, spotted sand bass, striped bass) **already completed**
- May 2 and 3: Newport Harbor Inshore Tournament (bass, halibut, croaker, corbina)
- Aug. 22 and 23: Offshore Tournament (yellow tail, white sea bass, halibut, dorado, tuna)
- Oct. 24 and 25: Bay Bass Tournament (bay bass only)

Cost for each tournament is \$50 per person; the entry fee will go towards food for all tournament participants and cash prizes for the first, second and third place finishers. Tournament rules will be available prior to the start of each event. All anglers must follow California Fish and Wildlife regulations (<https://wildlife.ca.gov>) and must have a valid fishing license as required by law. Contact Garrison Williams, garrisonwilliams@me.com, with questions.

Bahia Corinthian Yacht Club for having the best Super Bowl LIV party Feb. 2. We had such a great time watching the game and mingling with friends and family. Through the amazing generosity of our members, we were able to raise \$1,000 – this was presented to Dick Stone to support the BCYC Special Forces Christmas Fund. Although the Kansas City Chiefs won the game, the big winners were the Marines.

We celebrated our new commodore, Ginny Lombardi, at the Commodore’s Ball Feb. 29. The décor was majestic and elegant. We talked to and shared drinks with Commodore Lombardi on the Compass Rose, and then danced the night away, following a wonderful dinner inside the club. The night felt very intimate and Ginny was a gracious host. BCYC is a true winner with our 2020 commodore!

The Activities Committee meets at 7 p.m. every second Wednesday of the month. We encourage all members to join our next meeting.

*Spring is Here!*

The year started off great with our Junior Board of Directors versus Commodores Poker Challenge. We had an amazing turnout of over 50 participants; a combination of commodores, directors, all of the Junior Board of Directors, and BCYC family and friends. It was a super fun night – everyone had a great time. Rear Commodore Kari Konapelsky won in the final round in a match with Cruz Rivera, junior director. And a big thank you goes to Tammy Boivin, Michael Crimmins, Derek Johansson, Lisa Mayol, Jen and Kell Morris, Pete Potter, and Tim and Mindy Woods.

Showboat hits the stage March 25-28, starring Commodore Ginny Lombardi, along with the BCYC members in the cast and crew. This year's show theme is a High School Musical Reunion. Words cannot express how grateful the cast is when our members come and see our show!

The Newport to Ensenada (N2E) pre-race party will be at BCYC again, April 23. This event will be attended by many of the race entrants, their crew and VIPs associated with the race. ALL members are encouraged to attend – please watch for additional information in the near future. With over 300 party attendees, we have created a well- coordinated plan to make certain this is a great party. The N2E is an annual 125-nautical mile yacht race from Newport Beach to Ensenada, Mexico, celebrating its 73rd race this year.

I look forward to a great spring!

## *Boat Christening*

The BCYC boat christening ceremony, the afternoon of April 11, will make you and your boat part of a nautical tradition rooted in ancient times.

Whether you own a small fishing boat, sailboat or a larger yacht — she's new to you or just renamed — a christening ceremony is a fun way to welcome your boat to the BCYC family, celebrate with friends and inspire a lifetime of adventures on the water. To christen your boat, you will need:

- BCYC friends to join in the ceremony
- Your boat in the BCYC marina
- A branch of green leaves
- A pre-scored christening bottle with containment bag (to break on the boat)
- Red wine, champagne or sparkling cider (to drink)
- A name for your boat

Christening a boat is a fun, social event that should be enjoyed among a close circle of friends. The traditional drink during a christening is red wine, used to make a sacrifice to the sea gods and to celebrate with a toast. A branch full of green leaves symbolizes safe returns. The leaves only need to be on the boat for the christening and maiden voyage.

Modern christening ceremonies consist of saying a few words about the boat, toasting to the honor of the new boat's name, and then the owner breaking a bottle of champagne against the boat's bow—or pouring the contents onto the bow. The BCYC christening master will preside. Contact EB Barden ([e.barden@yahoo.com](mailto:e.barden@yahoo.com)) with questions or for more information.

*Viva Las Vegas*

Hey all you cruisers, surprise! If you have not already heard, we are going to Vegas, baby. We will be heading there April 16-18 for our Viva Las Vegas Cruise and this is one cruise you will not want to miss. We are holding a block of rooms for BCYC members at Paris Las Vegas Hotel and Casino with special rates. Space is limited, so book today – the link to reserve your room is: <https://www.caesars.com/book/?propCode=PLV&action=FindRooms&groupcode=VP3BCY0>.

Group Name: BCYC Las Vegas Cruise

Group Code: VP3BCT0

**These rates are only good until March 22, so book today!**

Once you book your room, you MUST sign up for the cruise by utilizing the BCYC website or by calling BCYC. We need to know what activities you will want to attend. We will start our cruise with a cocktail party at the home of Gene and Marcia Krause on Friday evening. Afterwards, we will head to the High Roller Observation Wheel to view the fabulous Las Vegas Strip at night. This attraction features the world’s tallest Ferris wheel at 550 feet, and our pod will include an open bar to enhance our enjoyment. On Saturday evening, we will enjoy dinner at the home of Michael and Nancy Bryant. Are you interested in playing golf while in Vegas? If so, contact Michael for details. There is so much to do in Vegas and I know that this will be a great cruise. We can’t wait!

The Dana Point Cruise is scheduled for May 29-31 — the correct date for this cruise. The date noted in the calendar for this cruise is incorrect. This will be a raft up-cruise. However, if you are more interested in obtaining a slip, now is the time to reserve one before they are all booked. To reserve a guest slip, please visit [www.dockwa.com](http://www.dockwa.com). Do it now.

*Make Reservations - Eat Well*

BCYC Sunday Night Suppers continue to be very well attended. We average more than 30 guests per night. Because of its increasing popularity, we ask that you **make a reservation** so that adequate seating and wait staff are available. We are excited to see families in attendance as well. We know it becomes more difficult during school time, but service begins at 5 p.m., so we are hopeful to see more and more kids in attendance. In addition to Sunday Night Suppers, the Omelet Express and Prime Rib Nights continue to be member favorites.

Sunday Night Suppers in March will be “BCYC Bone-In Chop House” served with baked potato and salad bar. The BCYC Lounge is the perfect location to enjoy “supper” around a fireplace and spend time with family and friends. Past history shows these “bone-in” meat options, as well as the baked potato bar, have always been a big hit with members, so be sure and **make a reservation** for your party and enjoy the Grade A food items and services provided by Chef George Rapicault, his culinary team and the BCYC crew.

We have reviewed past satisfaction surveys submitted by BCYC membership and determined that members are very satisfied with the service at the club. A few surveys indicated that they would like to see more or different menu items available. Please provide us with your recommendations for discussion at our monthly meetings.

We are in the process of planning specialty dinners/ events for 2020. Please join us for Food and Beverage Committee meetings the second Thursday of each month at 6:30 p.m., and bring your suggestions and requests for food and beverage services offered at BCYC. General Manager Scott Jones attends our meetings each month and provides an update on the top 10 menu and beverage items ordered each month. He also informs us of menu changes and suggestions presented to him from the membership.

*Wheel of Fortune*

Have you ever noticed the ship’s wheel hanging at the entrance of the Columbia Room? Do you know its history? Well, take a look at the wheel in the accompanying photo. Look familiar? It’s the wheel...from *Santana*, Humphrey Bogart’s boat.

Lauren Bacall presented the wheel to BCYC, along with several of the racing trophies (now located in our trophy cabinets) won by Bogie. We are truly fortunate to have these pieces of history. Check them out as you enter the club.

The wheel and trophies are awarded to the winners of our long-running Bogart Series, a two-day weekend race over to Avalon and back. Scheduled for March 21-22, the race draws boats from Long Beach, Newport Beach and Dana Point, and is well known for the great sailing and even greater partying in Avalon.

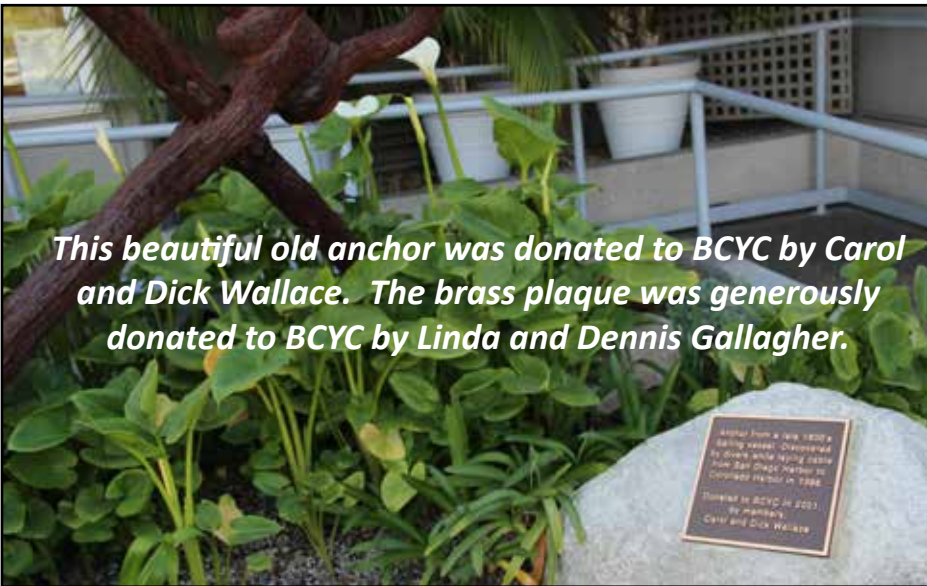

Have you ever noticed the large bell on the wall in the Columbia Room? It’s one of the trophies for the Lorin Weiss Series (first race is March 8), named after BCYC Staff Commodore Lorin Weiss. A large group of Harbor 20 skippers compete each year for the honor of having their name on a plaque attached to the bell. The bell is rung to announce race results, so if you hear it, join us in applauding the winners. Note: The bell is also rung at the start of the flag-lowering ceremony each night.

The first race of the Hugh Angelman Series and the SCYA Midwinter Regatta, were completed in February. Be sure to sign up today for the Bogart Series and the Weiss Series!
