## Heading Into the Homestretch

From Staycations to the Compass Rose Concert Series, summer was very active at BCYC. When Catalina opened up to boaters, many of us spent as much time there as possible. What a relief being able to get away either at the club or on a boat. Outdoor dining provided small group gatherings, as well as members being able to bring friends to the club again. The Gala was very successful thanks to the hard work and long hours Kelly Brennen and Ramsey Johansson dedicated to the event. Thank you, Kelly and Ramsey, and thanks to those who supported this important fund raiser for BSRA.

Other memorable summer events were Kentucky Derby Day at the Races, thanks to the combined efforts of Las Commodoras and the Activities and Cruise Committees. The Junior Staff Commodore's Cruise to Catalina, which included time in Avalon and at the Isthmus, was a welcome relief after the extreme heat wave we experienced in Southern California. And, record numbers of boats raced inside and outside the harbor weekly.

October brings more racing and events, including the Las Commodoras Dog Show and Oktoberfest, Avalon cruise, fishing tournament and Halloween. Participate where and when you feel comfortable. Outdoor dining is very popular with face coverings and social distancing still in place. If you were not aware of the set up for buffets, such as Prime Rib Night and Omelet Express, the served buffet line is inside and you eat on the mid-patio, Compass Rose or pool patio. This is working very well for everyone. BCYC is now able to offer limited seating for indoor dining as well.

If you have a special event you want to host, consider BCYC and talk with the club Food and Beverage staff for details and arrangements. As you know BCYC is a great place to entertain and can hold small gatherings, but in a big way! I mentioned in an earlier letter that December has been our "profit month" with boat parade-related activities. The Christmas Boat Parade is still planned, but we anticipate the number of people we can accommodate will be half or less. The club can benefit from any special events you will host through the end of the year. Your support is always appreciated!

If you have not returned to BCYC yet, consider dropping by at a slower time. Contact the club office and our staff will make you as comfortable as possible at any time. We miss you and hope to see you soon.

# The Gala 2020

As Charles Dickens wrote, "It was the best of times, it was the worst of times." Saturday night will be the bright light and most lovely memory in an incredibly challenging year. Thank you for joining us and for your tremendous generosity. We cannot wait to see you at The Gala 2021.

Kelly Brennan and Ramsey Johansson  
The Gala 2020 Co-Chairs

Oh, what a night! The Gala was a magical evening filled with delicious food and beverages, terrific music, auctions, raffles and a spectacular Bubbles and Bling opportunity drawing. Most importantly, it was our BCYC family together again celebrating one another and our beloved club. The fundraising was remarkably successful, while reconnecting with friends was priceless.

A very special thank you to our generous sponsors, including:

SC Karen Winnett, Chuck and Mary Brennan, Abbott and Cindy Ayloush, SC Paul and RC Kari Konapelsky, VC Rhonda Tolar, Derek and Ramsey Johansson, Patrick and Chunji Cory, Larry and Jenny Furiani, Kim Smith, SECY Rolf and Ronda Rolnicki, John and Pat Merrill, Bob and SC Mary Bacon, Bahia Corinthian Yacht Club, Marina Diamond and Watch, Cafe Gratitude

We are deeply grateful to the members of The Gala Committee who donated countless hours to create this extraordinary event:

SC Mary Bacon, Lori Curtin, Artesha Harvey, RC Kari Konapelsky, CMDR Ginny Lombardi, VC Rhonda Tolar, Mindy Wood

lacleve@aol.com

*BCYC, The Place to Be*

Wow, the Activities Committee was busy with the Compass Rose Concert Series performances during September! Over the Labor Day weekend, we enjoyed one of our most popular concerts, with Ron St. Clair providing us with “A Night of Motown.” Later in the month, Scott and Scotty from the hot local band *Nomads* played their guitars and sang easy soft rock. It was a pleasure to see members enjoying the music and dancing on the Compass Rose. The marina tenants also had a blast watching the concerts. They were dancing and singing in their boats and dinghies. This summer, BCYC was definitely the place to be.

We are now heading into fall and that means Halloween season. We will decorate the club inside and out, with our most spooky and funny Halloween decorations. Oct. 31, we will hold our annual BCYC Halloween Party. Please come dressed in your favorite Halloween costume and enjoy the night with your fellow BCYC members.

If you are interested in helping the Activities Committee decorate the club for Christmas, please email Co-chair Artesha Harvey at [bcycactivities@gmail.com](mailto:bcycactivities@gmail.com). The Activities Committee meets every second Wednesday of the month at 7 p.m.

### *Updated Dining Protocols – Reservations Required*

Well, some great news FINALLY! By the time you are reading this, the club should be accommodating inside dining at a 25% level. This is the first step on the path to normalcy, or something like it. We thought that by now we would be back to a somewhat normal food service operation at BCYC and it appears that is the case. Let us hope the “confusing times” are behind us. Fortunately, BCYC has beautiful outdoor patio areas where we can continue to enjoy the food services provided by Chef Georges Rapicault and his team. They have done a fabulous job providing a limited, but delicious, variety of food items. Chef Georges and General Manager Scott Jones have really been your Food and Beverage Committee for the past several months. Not only have they made menu selections, but they have also diligently screened new employees to join their staff under such difficult times. Please thank them for their efforts to provide the membership with quality food and friendly servers.

We are anxious to start the monthly committee meetings and make plans for Sunday Night Suppers, suggest menu options and schedule other specialty meals for all to enjoy. This will not be immediate by any means, **but** it is a start! Continue to watch for electronic communications from the club as we work to keep you informed with updates.

The Omelet Express, Prime Rib Night and the Compass Rose Concert Series have especially been enjoyed. Do not forget to make reservations, as space is limited due to social distancing and staffing. Continue to enjoy our beautiful patios and great sunsets at the “Friendliest Club on the Bay.” Stay Healthy.

### *Challenges Being Met*

In this most challenging year, we have been very fortunate to have our wonderful members continue to participate and support our club. I have personally heard many members remark that the club is the place where they feel safe, can come and socialize, at a social distance, of course. As we all know, activities and events have been curtailed, but events that have occurred — the Commodore's Ball, Desert Land Cruise, Isthmus Cruise, Closing Night and Opening Day, various activities, the Compass Rose Concert Series, and our most recent event, the Labor Day weekend Staycation — have all been very successful. Keep checking the Weekly Update, *The Masthead* and the electronic board at the club for upcoming events that you may wish to participate in.

Even during these times our membership continues to grow. So, for our newest members: did you know that we have our own Harbor 20 sailboat, two Duffys, SUPs and kayaks for rent? Check them out with Debbie Dunne, BCYC waterfront manager. When the Columbia Room reopens for business, find the popcorn machine and grab a snack. The popcorn and other bar munchies are no-charge enticements. Do you need some ice for these hot summer days? Cubed ice is available to members, so get to know the club, use and enjoy it.

Welcome to our newest members:

Dea and Ron Spanos Berberian are both business owners, live in Stockton and recently purchased a home near BCYC. Upon the recommendation of friends, they visited the club and thoroughly enjoyed the people they met and the amenities BCYC had to offer. They plan to visit the club often when they are in town.

Fariba Fidone and Sergio Antonucci, Cota de Casa residents, both own businesses. While visiting another yacht club, they decided to check out BCYC and the rest is history. They are looking to move their boat into our marina.

Darryl Ouellette was a prior real estate broker who found his true passion and is now an accomplished yacht captain. He is no stranger to BCYC having participated in many BCYC events over the years.

*New Adventures*

As summer winds down, I have picked up a new sport that I am quickly falling in love with – kiteboarding. This has always been something that I wanted to get involved in. I was drawn to kiteboarding because of my passion for sailing and surfing. Kiteboarding allows you to feel the power of the wind and the waves. At first, I was very uncomfortable holding a kite bar rather than a main sheet. As I began to get more accustomed to the kite, it has become addictive. You are always thinking about the power and speed. The speed that can be generated with a kiteboard is very remarkable. There are many different paths and opportunities that this sport can offer. I look forward to finding new beaches and new places to kiteboard and am so happy to have been exposed to this new outdoor activity **on** the water, and have shared the joys of kiteboarding with many of my fellow sailors.

*Fall Into Family Fun*

As we head into October, the Junior Events Committee will host our annual Pumpkin Carving event on Sunday, Oct. 25, from 5-7 p.m. This is always a great time and well attended. We will have treats and a hot chocolate bar for the kids. Make sure to BYOP (Bring Your Own Pumpkin) – we'll have all the tools you need to carve! Prizes will be awarded for the funniest, most creative and spookiest pumpkins. There will also be succulents available to create centerpieces. This is for the whole family and you don't want to miss it.

On Nov. 21, from 2-4 p.m., we'll host the Ornament Decorating Party.

Both of these events will take place outside and we are confident we can make them happen while wearing masks and maintaining social distancing guidelines. Be on the lookout for promos in the Weekly Update, social media and the club website. We look forward to seeing all of the BCYC families get creative!

**DID YOU KNOW ?**

**Important Stuff**

**Did you know** that the important information concerning events at BCYC can be found on several communication platforms? These include social media platforms, the club website, Weekly Updates, eblasts and the electronic message board at the club.

**Did you know** that BCYC is very involved with our local community? Prior to the pandemic, and we hope returning soon, BCYC hosts two Exchange Club groups, Kiwanis, Rotary and the CdM and Newport Beach Chambers of Commerce for luncheons and meetings. We have BCYC members in each of these organizations who have introduced the club to these groups.

**Did you know** that you can leave your vehicle in the club's parking lot overnight? If for only one night, please notify the club office. For multiple nights, you need to get approval from the club office, and you might need to park in a specific location depending on scheduled events at BCYC.

Tea and Horsing  
Around

Well, finally we had our beautiful High Tea on the Compass Rose Aug. 20, the first Las Commodoras event since February. Everyone had a great time. It was a bit humid for hats and tea but we all enjoyed being together at the club! Chef Georges Rapicault and his culinary team provided beautiful tea sandwiches, wonderful cool soup and, of course, clotted cream and scones. So sorry if you missed it, but make sure to be part of this event in 2021. The hats were bright and colorful, and we had some great winners. Thank you to Joyce Barnes and Teri Leigh for coordinating this event. We had sweet guitar music by Tim Whelan, setting the mood perfectly.

An awesome Kentucky Derby Day, Sept. 5, was the combined efforts of Las Commodoras and Activities and Cruise Committees. There were lots of horses (the stick figure breed) and horsing around. Our own Dee Shandera performed a special version of "My Old Kentucky Home," with BCYC-themed lyrics – very funny. She is always a welcome performer at our events. The Hat Contest featured winners for whimsical and elegant. Flights of bourbon and wonderful mint juleps enhanced the event. Everyone had a great time!

Thank you all for attending our events. We look forward to your participation with your favorite pooch in the Dog Show, 9:30 a.m., Oct. 10, followed by the Oktoberfest Brats and Boots at 6 p.m. As usual, both events require reservations for distance spacing. See you ALL in October.

**Vice Commodore  
Rhonda Tolar**

*rhtolar@gmail.com*

*Summer and Fall Sailing*

This was the 11th year of Taco Tuesday racing and after-parties at BCYC. Our staff did a great job and we were able to hold our after-parties outside on the Compass Rose and mid-patio. With COVID-19 requirements, for safety and social distancing, we had our challenges, including outdoor lighting and weather. All went well with an average of 50 racers each week. On the final night we had over 100 racers in attendance.

Thanks to David Levy, Dan Rosen, Joel Stone and other members and DRMs, we had a team racing in every Taco Tuesday race this year aboard *Ventus*, the club J22. They took first place overall in PHRF for the series. Next, we will put together a team to race in the upcoming Hot Rum series – all in-the-harbor races. Any member who would like the chance to be part of this team should reach out to Joel or me.

Beginning our third year of the Wild Sailing Regatta, this two-race series starts in the harbor with racing in the ocean. We have our now-traditional after-party similar to Taco Tuesdays, with food, raffles and beverage of your choice.

Mark Groenhuyzen and I served as junior board advisers this past year. The 2020-2021 Junior Board of Directors was selected in August. The members are:

- Junior Commodore Jake Mayol
- Vice Commodore Tyler Wood
- Rear Commodore Elizabeth Struve
- Secretary Isaac Stone • Treasurer Brooks Orradre
- Directors: Jet Brennan, Abby Hampton, Jake Johansson

Kelly Brennan and Mark Groenhuyzen will be junior board advisers.

Thanks to Junior Rear Commodore Elizabeth Struve for her amazing effort to get pictures from Camp Corinthian, Opening Day and The Gala. Elizabeth, you did a great job and provided us with wonderful pictures!

*A Sneak Peek*

So...what’s on the 2021 BCYC race calendar? Here are the current plans:

**Angelman Series** – we will again run the medium-distance ocean races that comprise this three-month long series.

**Midwinter Regatta** – the annual SCYA event after Valentine’s Day, two days of Harbor 20 races.

**Bogart Series** – we’re optimistic that we can return to the two-day format of racing over to Avalon, partying, then racing back the next day.

**Weiss Series** – we will run this Harbor 20 series spread across three months for a total of 15 individual races per class (there are three classes).

**Around the Oil Islands** – this is our fastest-growing series with three races over three months. A 23-mile round trip, out to the mid-channel oil islands and back.

**Leukemia Cup Regatta** – we are equally optimistic that we will get to run this regatta for the Farr 40s and PHRF boats in August. Harbor 20s and the juniors will sail in July.

**Wild Sailing Regatta** – a new two-race format starting in the harbor, then racing offshore to a series of marks. Lots of turns and lots of tacking. Fun!

**Harbor 20 Tune-Up** – another full day of Harbor 20 racing at its best with five windward/leeward races per class – a lot of enjoyable work.

**Hot Rum Series** – the pirates of Newport Beach will kick off this three-month series. Two harbor races per day provide lots of great racing and an opportunity to win a special prize.

**Taco Tuesday** – of course, we will repeat our signature summer series. For 2021, we will run...wait for it...17 Taco Tuesday races.

*All - Come for  
One Last Cruise*

Three BCYC groups (Activities and Cruise Committees, and Las Commodoras) combined forces during Labor Day weekend to create an extravaganza with many activities. Since it was a cruise Staycation, several boats traveled to BCYC to spend the weekend and enjoy all the festivities. We started the weekend off with a bang! Ron St. Clair performed upbeat Motown music on the Compass Rose, giving many a chance to dance the night away under the stars. On Saturday, we celebrated Derby Day as the Kentucky Derby was run. Dee Shandera started this event by singing her unique rendition of "My Old Kentucky Home." Thank you, Dee, for sharing your amazing talent! It was fun to see all the ladies adorned in their finest hats for Derby Day so, of course, we had to have a contest. Winners of the elegant hat contest were Marjorie Davis and Tara Kraushaar. The crazy hat contest winners were Maureen Lewis and Dee Shandera. We have some extremely creative ladies at BCYC!

We ran our own version of the derby, complete with the

hats, mint juleps, flights of bourbon and watching the race from Churchill Downs. Congratulations to Commodore Ginny Lombardi for "riding" her very fine stick horse to a first place finish. Lauri Moffett took second and Junior Staff Commodore Steve Moffett finished in third place. For the real Kentucky Derby, the winners were: 1st place, Kristi Parr; 2nd place, Commodore Ginny Lombardi; 3rd place, Marjorie Davis.

On Sunday, many braved the heat and headed out to mid-channel in the harbor for a dinghy raft-up where we sipped homemade sangria and just hung out. Later that evening we headed to the pool patio for a Burger Bash with all the fixings, followed by everyone's favorite movie, "Captain Ron." Thank you to the staff for providing a great end to our Labor Day weekend! Also, thank you to Barbara Eden and Artesha Harvey for partnering together to plan some really great events!

We have one more cruise planned for the year, our annual trip to Avalon, scheduled for Oct. 23-25. The weather is always nice and moorings are easier to come by at that time of year. So, come one, come all! We will have some kids activities, play miniature golf and dinghy games, a concert/dinghy raft-up, and hopefully a group dinner (TBD). Remember that the winner of the miniature golf tournament gets their name on a trophy so don't miss out on your chance to win. Sign up today for our last cruise of 2020!
